# Safety Instruction Guide for #321 S&W J FRAME SPRING KIT

## Introduction

Thank you for purchasing the #321 S&W J Frame Spring Kit by Wilson Combat. This highquality spring kit is designed to enhance the performance of your handgun. It is important to follow safety guidelines to ensure safe usage and optimal performance. This guide provides essential safety instructions, installation procedures, and contact information for further support.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow all safety protocols.
- Keep the spring kit and all related components out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure that the firearm is unloaded before installing or replacing any parts.
- Do not modify the spring kit or any components, as this may lead to unsafe conditions.
- Follow the manufacturer's recommendations for load and usage limits.
- Be aware of your surroundings when using firearms, and ensure a safe backdrop for shooting.
- If you are unsure about the installation or usage of the spring kit, consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure that the firearm is completely unloaded and in a safe condition.
2. **Remove Old Springs:**
  - Disassemble the firearm according to the manufacturer's instructions.
  - Carefully remove the existing hammer and rebound springs.
3. **Install New Springs:**
  - Take the RP 8 lb hammer spring and install it in the designated location.
  - Install the RP 13, 14, or 15 lb rebound springs as per your preference.
4. **Reassemble Firearm:** Follow the manufacturer's instructions to reassemble the firearm.
5. **Test Functionality:** Before using the firearm, ensure that it operates correctly with the new spring kit.

### Usage Instructions

- After installation, perform a function check to ensure that the firearm operates correctly.
- Use the firearm in a safe and controlled environment.
- Regularly check the springs for wear and replace them as needed.

## Disposal Instructions

- Dispose of any old springs and components in accordance with local regulations.
- Do not dispose of springs in regular household waste; check for designated disposal facilities or recycling programs.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the #321 S&W J Frame Spring Kit, please refer to the manufacturer's contact information provided with your purchase. Ensure you have the product details available when seeking assistance.

By following these safety instructions, you can help ensure a safe and effective experience with your #321 S&W J Frame Spring Kit. Thank you for prioritizing safety and compliance.
