MARLIN 336 PISTOL GRIP STOCK SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MARLIN 336 PISTOL GRIP STOCK. This product is designed to enhance your firearm's functionality while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use and maintain your stock safely and effectively.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Store the firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Inspect the stock regularly for any signs of wear or damage.
- Always use the stock in accordance with the manufacturer's instructions and guidelines.
- In case of any malfunction or failure, cease use immediately and consult a qualified gunsmith.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the stock is installed correctly before using your firearm.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Do not modify the stock in any way that could affect its safety or performance.
- Only use the stock with the compatible model (Marlin 336) to prevent accidents.
- If you are inexperienced with firearm modifications, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a drill for the tang screw.
- Ensure you are working in a clean, welllit area.

2. Installation Steps

- Remove the existing factory stock from your firearm by following the manufacturer's guidelines.
- Align the MARLIN 336 PISTOL GRIP STOCK with the action of the firearm.
- Check the fitment; the stock is 95% inletted and may require minor fitting.
- Drill the necessary hole for the tang screw as per the firearm's specifications.
- Securely attach the stock to the firearm, ensuring all screws are tightened properly.

3. Usage Guidelines

- After installation, conduct a functional check to ensure the firearm operates correctly with the new stock.
- Familiarize yourself with the feel and handling of the firearm with the new stock before using it in the field.
- Always wear appropriate safety gear, including eye and ear protection, when using your firearm.

Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding wood waste and firearm accessories.
- If the stock is damaged beyond repair, consider recycling the wood if possible.
- Ensure that any hardware is disposed of safely to prevent injury.

Contact Information for Further Support

For any inquiries regarding the MARLIN 336 PISTOL GRIP STOCK, please refer to the manufacturer's website or contact your local dealer for assistance.

Thank you for your attention to these safety instructions. Enjoy your new stock responsibly and safely.
