## Introduction

Thank you for choosing the Winchester Stock Set Fixed Wood Stock Set Fixed Brown. This product is designed to provide a classic look and feel, closely matching original factory stocks. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always inspect the product for any visible defects or damage before use.
- Ensure that the stock set is compatible with your firearm model before installation.
- Follow all local laws and regulations regarding the use and modification of firearms.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Compatibility Check:** Verify that the stock set is intended for use with the Winchester Model 1906 or other compatible models.
- **Proper Handling:** Always handle the stock set with care to avoid splinters or damage.
- **Installation Caution:** Use appropriate tools for installation and avoid excessive force to prevent damage to the wood.
- **Finishing Products:** When applying stains or finishes, ensure proper ventilation and follow the manufacturer's safety instructions.
- **Storage:** Store the stock set in a dry, cool place to prevent warping or damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a screwdriver and sandpaper.
- Ensure your workspace is clean and welllit.

### 2. Fitting the Stock:

- Remove the existing stock from your firearm according to the manufacturer's instructions.
- Place the Winchester stock set in position and check for proper alignment.
- If necessary, lightly sand the inletted areas to achieve a snug fit.

### 3. Final Adjustments:

- Once fitted, secure the stock using the original hardware.
- Ensure all screws are tightened properly but avoid overtorquing.

### 4. Finishing Touches:

- Sand the stock to your desired smoothness.
- Apply stain and finish according to your preference, allowing adequate drying time as per the manufacturer's guidelines.

### 5. Final Inspection:

- After installation and finishing, inspect the stock set for any loose parts or defects.
- Ensure that the firearm operates correctly with the new stock in place.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If the stock set becomes damaged beyond repair, check with local waste management for proper disposal methods.
- Do not burn the wood stock, as it may release harmful chemicals.
