

Shooting Stick - Shooting Sticks, Sitting

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

The Dead Silent Shooting Sticks bring the same trusted BOG-POD® stability and durability to a collapsible shooting stick platform. The DSS are made of robust 9/16" dia. aluminum and non-marring weather resistant surfaces. The Leg Section Retention clips are movable and adjustable to allow the shooter to fold and clip a leg section to the Shooting Stick. This adjusts the platform to a lower height and keeps the folded leg sections secure and out of the way during transport.

BOG Shooting Stick Safety Instructions

Introduction

Thank you for choosing the BOG Shooting Stick. Designed for stability and durability, the Dead Silent Shooting Sticks (DSS) provide a reliable platform for your shooting needs. This guide contains important safety information to ensure the safe use of your shooting stick. Please read and follow these instructions carefully.

General Safety Guidelines

- Always inspect the shooting stick before use for any signs of damage or wear.
- Ensure that all components are securely fastened and functioning properly.
- Use the shooting stick only for its intended purpose as a shooting support.
- Keep the shooting stick out of reach of children when not in use.
- Be aware of your surroundings and ensure a clear line of sight before shooting.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Stability:** Always set up the shooting stick on stable and level ground to prevent tipping.
- **Weight Limit:** Do not exceed the weight limit specified by the manufacturer to avoid failure.
- **Leg Section Retention Clips:** Ensure that the leg section retention clips are properly secured before use to prevent accidental folding.
- **Transport:** When transporting the shooting stick, ensure that all leg sections are folded and secured to avoid injury.
- **Weather Conditions:** Avoid using the shooting stick in extreme weather conditions that may affect stability and safety.

Instructions for Installation and Usage

1. Setup:

- Remove the shooting stick from its carrying case.
- Extend the leg sections to the desired height, ensuring that the leg section retention clips are properly engaged.
- Adjust the height as necessary for comfort and stability.

2. Usage:

- Position the shooting stick on stable ground.
- Rest your firearm securely on the shooting stick, ensuring that it is stable and will not fall.
- Maintain a firm grip on your firearm at all times.
- When finished, carefully remove the firearm from the shooting stick.

3. Folding and Transporting:

- To fold the shooting stick, release the leg section retention clips.
- Collapse the leg sections and secure them to the main body of the shooting stick.
- Store the shooting stick in its carrying case when not in use.

Disposal Instructions

- Dispose of the shooting stick in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- If the shooting stick is damaged beyond repair, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the BOG Shooting Stick!
