BOG QSTIK Monopod Kit Safety Instruction Guide

Introduction

Thank you for choosing the BOG QSTIK Monopod Kit. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your monopod in various outdoor settings. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the monopod is used only for its intended purpose as a support for cameras and binoculars.
- Always inspect the monopod for any signs of damage or wear before use. Do not use a damaged monopod.
- Keep the monopod out of reach of children when not in use.
- Use the monopod on stable ground to prevent accidents and falls.
- Be aware of your surroundings and avoid using the monopod in crowded or unstable areas.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates regularly on the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Ergonomic Grip:** Ensure that you have a secure grip on the monopod to prevent slips.
- **Wrist Strap:** Always use the wrist strap provided to secure the monopod to your wrist when in use.
- **Snow Foot and Carbide Foot:** Use the appropriate foot based on the terrain:
 - Use the Snow Foot for loose ground or deep snow.
 - Use the Carbide foot for ice or solid rock.
- **Weight Limit:** Do not exceed the weight limit specified for the monopod. Overloading can lead to instability.
- **Weather Conditions:** Avoid using the monopod in severe weather conditions, such as high winds or storms.

Instructions for Installation and Usage

1. Setting Up the Monopod:

- Extend the monopod to your desired height by loosening the locking mechanism, adjusting the length, and then securely tightening the lock.
- Attach the camera or binoculars to the provided camera adapter or binocular rest.

2. Using the Monopod:

- Hold the monopod with both hands, ensuring a firm grip.
- If using a camera, frame your shot and stabilize the monopod before taking a picture.
- When hiking, use the monopod for support by placing it firmly on the ground.

3. Storing the Monopod:

- Collapse the monopod to its shortest length for storage.
- Store the monopod in a dry place, away from direct sunlight and extreme temperatures.

Disposal Instructions

- Dispose of the monopod responsibly according to local regulations.
- If the monopod contains any electronic components, follow electronic waste disposal guidelines.

- Do not dispose of the monopod in regular household waste.

Contact Information for Further Support

For any inquiries or safety concerns regarding the BOG QSTIK Monopod Kit, please consult the manufacturer's customer service or official website for assistance.

We hope you enjoy using your BOG QSTIK Monopod Kit safely and effectively. Thank you for your attention to these important safety guidelines.
