# Caldwell Silhouette Center Mass Target Safety Instructions

## Introduction

Thank you for choosing the Caldwell® Silhouette Center Mass Target. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read through the entire manual before using the targets to enhance your shooting skills while prioritizing safety.

## General Safety Guidelines

- Ensure all users are familiar with firearm safety rules before using the targets.
- Always supervise children and inexperienced shooters when using firearms.
- Use targets only in designated shooting areas that comply with local laws and regulations.
- Inspect the targets for any damage before use. Do not use damaged targets.
- Follow all local laws regarding the use of firearms and shooting targets.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure the shooting area is clear of bystanders and any potential hazards.
- Do not shoot at targets that are not securely mounted or positioned.
- Maintain a safe distance from the shooting area, as specified by local regulations.
- Dispose of used targets responsibly, ensuring they do not pose a hazard to the environment.

## Instructions for Installation and Usage

1. **Selecting a Location:** Choose a safe and legal shooting area that is wellventilated and free from obstructions.
2. **Mounting the Target:**
  - Securely attach the target to a stable backstop or stand.
  - Ensure the target is at a height and distance appropriate for the shooting activity.
3. **Using the Target:**
  - Use the Caldwell® Silhouette Center Mass Target for practice in defensive shooting skills.
  - Aim for the designated impact zones to maximize visibility of bullet impacts.
  - Regularly check the target for wear and replace it as needed.
4. **PostShooting:**
  - After shooting, carefully collect all used targets and dispose of them properly.
  - Inspect the shooting area for any stray bullets or debris.

## Disposal Instructions

- Dispose of used targets in accordance with local waste management regulations.
- If the targets are made of recyclable materials, follow your local recycling guidelines.
- Do not burn the targets, as they may contain materials that are hazardous when burned.
