# Frankford Arsenal Platinum Series Intellidropper Electronic Powder Measure Safety Instructions

## Introduction

Thank you for choosing the Frankford Arsenal Platinum Series Intellidropper Electronic Powder Measure. This guide is designed to provide you with important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the device.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this manual.
- Keep the device out of reach of children and vulnerable individuals.
- Regularly check for any signs of damage or malfunction. Do not use if damaged.
- Use the product in a wellventilated area to avoid inhaling any powder particles.
- Always follow local laws and regulations regarding the handling and use of powders and reloading equipment.
- Report any unsafe products or incidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the Intellidropper with compatible powders as specified in the product documentation.
- Ensure that the device is placed on a stable and level surface during operation.
- Avoid overfilling the powder reservoir to prevent spills and potential hazards.
- Do not attempt to disassemble or modify the device. Any unauthorized modifications can lead to safety issues.
- When calibrating the device, follow the selfoptimizing powder calibration instructions carefully to ensure accurate measurements.
- Disconnect the device from power when not in use or during cleaning.

## Instructions for Installation and Usage

### 1. Installation

- Unbox the Intellidropper and inspect for any visible damage.
- Place the device on a flat, stable surface away from any heat sources or moisture.
- Connect the device to a power source using the provided power adapter.
- Ensure that the device is turned off before connecting to power.

### 2. Setup

- Turn on the device using the power button.
- Follow the onscreen instructions to set up the Bluetooth connection with the downloadable app, if desired.
- Store your load data in the app for easy access.

### 3. Calibration

- Follow the selfoptimizing powder calibration process as described in the user manual.
- Ensure that the calibration is performed before each use for optimal accuracy.

### 4. Usage

- Fill the powder reservoir with the appropriate powder, avoiding overfilling.
- Use the large backlit LCD display to select your desired load settings.
- Monitor the dispensing process closely to ensure accuracy and safety.
- After use, turn off the device and clean it according to the instructions in the user manual.

## **Disposal Instructions**

- Dispose of the device in accordance with local electronic waste disposal regulations.
- Ensure that any remaining powder is disposed of safely, following local environmental guidelines.
- Do not dispose of the device in regular household waste.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the Frankford Arsenal Platinum Series Intellidropper Electronic Powder Measure, please refer to the contact details provided in the product documentation or on the manufacturer's website.

Thank you for prioritizing safety while using the Frankford Arsenal Platinum Series Intellidropper Electronic Powder Measure. Enjoy your reloading experience!
