# Tipton Clean and Oil Brush Safety Instructions

## Introduction

Thank you for choosing the Tipton Clean and Oil Brush. This product is designed to assist you in cleaning and applying oil to your firearms efficiently. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the brush in a wellventilated area to avoid inhalation of any cleaning substances.
- Keep the brush out of reach of children and pets to prevent accidents.
- Inspect the brush before each use. Do not use if bristles are damaged or missing.
- Avoid using the brush with any cleaning agents that are not recommended by the manufacturer.
- If you experience any irritation or allergic reaction while using the brush, discontinue use immediately and consult a medical professional.

## Specific Safety Precautions for Use

- Ensure that your firearm is unloaded and in a safe condition before cleaning.
- Use the brush only for its intended purpose—cleaning and oiling firearms.
- Do not apply excessive pressure when using the brush; let the bristles do the work.
- Avoid contact with eyes and skin when using cleaning agents in conjunction with the brush.
- Store the brush in a dry place away from direct sunlight to maintain its quality.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary cleaning supplies, including the Tipton Clean and Oil Brush, cleaning solution, and oil.
- Ensure your workspace is clean and free from clutter.

### 2. Using the Brush:

- Dip the brush into the cleaning solution or oil.
- Gently apply the brush to the surface of the firearm, using long, sweeping strokes.
- For hardto reach areas, use the brush's bristles to carefully clean without damaging the firearm.
- After cleaning, allow the firearm to dry completely before reassembling or storing.

### 3. PostUse Care:

- Clean the brush after each use by rinsing it in warm water to remove any cleaning agents.
- Allow the brush to air dry completely before storing it.

## Disposal Instructions

- Dispose of the brush responsibly. If the bristles are worn out or the brush is damaged, consider recycling if possible.
- Follow local regulations for disposing of cleaning agents and any hazardous materials used during cleaning.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Tipton Clean and Oil Brush, please reach out to the appropriate contact point as indicated on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Tipton Clean and Oil Brush. Thank you for prioritizing safety while maintaining your firearms.
