

Cleaning Picks

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Picks & Hooks](#)

Here is a clever idea that belongs in every cleaning kit, Gun Cleaning Picks. This set of four picks with different configurations on each end provide eight different combinations to get into those tight, hard-to-reach places. One set is made of high-strength polymer so they will not scratch the finest surface. The other set is made of stainless steel.

Tipton Cleaning Picks Safety Instructions

Introduction

Thank you for choosing Tipton Cleaning Picks. This product is designed to help you efficiently clean hard-to-reach areas of your firearms. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the cleaning picks as intended. Misuse may lead to injury or damage.
- Keep the cleaning picks out of reach of children. This product is not a toy and can pose a choking hazard.
- Inspect the cleaning picks before each use. Do not use if damaged or worn.
- Store the cleaning picks in a safe, dry place after use to prevent accidents and damage.
- If you experience any discomfort or injury while using the cleaning picks, discontinue use immediately and seek medical advice if necessary.

Specific Safety Precautions for Use

- Use the polymer picks for delicate surfaces to avoid scratches.
- Use the stainless steel picks for tougher cleaning tasks, but be cautious to avoid damaging surfaces.
- Always apply gentle pressure when using the picks to prevent slipping or accidental injury.
- Avoid using the picks near your face or other sensitive areas.
- Do not use the picks for any purpose other than cleaning firearms.

Instructions for Installation and Usage

1. **Selecting the Right Pick:** Choose the appropriate pick based on the surface you will be cleaning.
2. **Cleaning Process:**
 - For polymer picks:
 - Gently insert the pick into the area you wish to clean.
 - Use a sweeping motion to remove debris.
 - For stainless steel picks:
 - Carefully insert the pick into the area, applying light pressure.
 - Avoid excessive force to prevent damage.
3. **After Use:** Clean the picks with a soft cloth to remove any residue and store them properly.

Disposal Instructions

- Dispose of the cleaning picks in accordance with local regulations.
- Do not throw them away in regular household waste if they are damaged or broken.
- Consider recycling if possible, especially for the stainless steel picks.

Contact Information for Further Support

For any questions or concerns regarding the use of Tipton Cleaning Picks, please reach out to the manufacturer or your point of purchase. Ensure you have the product details ready for assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Tipton Cleaning Picks. Thank you for your attention to safety!
