# Safety Instruction Guide for Tipton Felt Cleaning Pellets

## Introduction

Thank you for choosing Tipton Felt Cleaning Pellets. These pellets are designed for effective cleaning of firearms in .338 and 8 mm calibers. This guide provides important safety instructions to ensure the safe and effective use of this product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is stored out of reach of children and vulnerable individuals.
- Always inspect the product before use for any signs of damage or defects.
- Use the product only for its intended purpose as specified in this guide.
- Follow all local laws and regulations regarding the use and handling of cleaning materials and firearms.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use in a wellventilated area to avoid inhalation of any dust or particles.
- Wear protective eyewear to prevent any potential irritation from debris.
- Do not use the pellets if they are damaged or have been exposed to moisture.
- Keep the pellets away from open flames or high heat sources.
- Avoid contact with skin; if contact occurs, wash the area with soap and water.
- Do not ingest the pellets or any cleaning materials.
- Use appropriate protective gear when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning tools, including the Tipton Felt Cleaning Pellets and the calibercorrect nickel plated jag included in the package.

### 2. Loading the Jag:

- Attach the nickel plated jag to the cleaning rod.
- Insert a cleaning pellet into the jag, ensuring it fits snugly.

### 3. Cleaning Process:

- Insert the cleaning rod with the attached jag and pellet into the firearm's barrel.
- Push the rod through the barrel in a smooth, consistent motion, ensuring the pellet engages with the rifling.
- Repeat the process as necessary until the barrel is clean.

### 4. PostCleaning:

- After cleaning, remove the jag and pellet from the barrel.
- Inspect the barrel for cleanliness and ensure no debris remains.
- Store the cleaning pellets in a cool, dry place away from children.

## Disposal Instructions

- Dispose of used cleaning pellets in accordance with local regulations.
- Do not dispose of cleaning materials in waterways or general waste.
- If uncertain about disposal methods, consult local waste management authorities for guidance.

## Contact Information for Further Support

For any inquiries regarding safety concerns or product information, please refer to the manufacturer's contact details provided on the packaging or visit the official website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with Tipton Felt Cleaning Pellets. Thank you for your attention to these important guidelines.
