Safety Instructions for Wheeler Master Gunsmith Interchangeable Hammer Set

Introduction

Thank you for choosing the Wheeler Master Gunsmith Interchangeable Hammer Set. This product is designed to provide versatility and precision for your gunsmithing needs. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the hammer set in accordance with the manufacturer's instructions.
- Inspect the hammer bodies and faces before each use for any signs of damage or wear.
- Ensure that the work area is clean and free of any obstructions.
- Keep the hammer set out of reach of children and pets.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when using the hammer set.
- Do not use the hammer set for any purpose other than its intended use.
- Be aware of your surroundings and ensure that no one is in close proximity when using the hammer set.

Specific Safety Precautions for Use

- **Hammer Bodies and Faces:**
 - Ensure that the hammer faces are securely attached to the hammer bodies before use.
 - Do not attempt to modify or repair the hammer faces or bodies.
- **Material Safety:**
 - Be cautious of the different materials (metal, brass, nylon, rubber) and their specific handling requirements.
 - Avoid using the hammer set on surfaces that may be damaged by the hammer faces.
- **Workpiece Stability:**
 - Ensure that the workpiece is stable and secured before striking with the hammer.
- **Force Control:**
 - Use only the necessary amount of force when striking to prevent damage to the workpiece or injury to yourself.

Instructions for Installation and Usage

1. Installation of Hammer Faces:

- Select the appropriate hammer face for your task.
- Align the hammer face with the hammer body.
- Securely attach the hammer face to the hammer body until it is firmly in place.

2. Usage:

- Hold the hammer body firmly with one hand.
- Position the hammer face against the workpiece.
- With your other hand, strike the hammer body to transfer force to the hammer face.
- Repeat as necessary, ensuring to check the stability of the workpiece after each strike.

3. PostUse Care:

- Clean the hammer faces and bodies after use to remove any debris or residue.

- Store the hammer set in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the hammer set responsibly in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the hammer set in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the official Wheeler website or contact your local distributor.

By following these safety instructions, you can ensure a safe and effective experience with your Wheeler Master Gunsmith Interchangeable Hammer Set. Always prioritize safety and remain informed about the proper use of your tools. Thank you for your attention to these important guidelines.
