Tipton Felt Cleaning Pellets Safety Instruction Guide

Introduction

Thank you for choosing Tipton Felt Cleaning Pellets. These pellets are designed for effective cleaning of firearms, specifically for calibers .17 to .50. This safety instruction guide provides essential information to ensure safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only for its intended purpose of cleaning firearms.
- Keep the pellets out of reach of children and vulnerable individuals to prevent accidental ingestion or misuse.
- Always inspect the cleaning pellets for damage before use. Do not use if the pellets are compromised.
- Store the pellets in a cool, dry place and in their original packaging to prevent moisture damage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the pellets in a wellventilated area to avoid inhaling any dust or particles released during cleaning.
- Avoid using the pellets near open flames or high heat sources.
- Do not mix different types of cleaning pellets or materials, as this may cause unwanted chemical reactions.
- Follow the manufacturer's instructions regarding the use of the included calibercorrect nickel plated jag.
- If you experience any allergic reactions or irritation while using the pellets, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the Tipton Felt Cleaning Pellets, a cleaning rod, and the calibercorrect jag included in the pack.

2. Loading the Jag:

- Attach the nickel plated jag to the cleaning rod.
- Insert a felt cleaning pellet onto the jag, ensuring it fits snugly.

3. Cleaning Procedure:

- Insert the cleaning rod with the attached jag and pellet into the firearm's barrel.
- Gently push the rod through the barrel, using a smooth and steady motion.
- Pull the rod back out, removing any fouling or debris from the barrel.
- Repeat the process as necessary until the barrel is clean.

4. PostCleaning:

- After cleaning, inspect the barrel for any remaining debris.
- Dispose of used cleaning pellets responsibly, following local regulations for hazardous waste.

Disposal Instructions

- Dispose of used cleaning pellets in accordance with local waste disposal regulations.
- Do not dispose of the pellets in regular household waste if they have been contaminated with harmful substances.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries regarding the safety or use of Tipton Felt Cleaning Pellets, please refer to the manufacturer's contact information provided on the packaging or visit their official website.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy the effective cleaning performance of Tipton Felt Cleaning Pellets!
