# Tipton Felt Cleaning Pellets Safety Instructions

## Introduction

Thank you for choosing Tipton Felt Cleaning Pellets. These pellets are designed for effective cleaning of firearms, ensuring optimal performance and longevity. This guide provides essential safety instructions to ensure your safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and follow all instructions provided with the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before use for any signs of damage or wear.
- Do not use the product for any purpose other than intended cleaning of firearms.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the cleaning pellets.
- Use protective eyewear when cleaning firearms to prevent any accidental splashes or debris.
- Avoid inhalation of any dust or particles generated during the cleaning process.
- Do not use the pellets on firearms that are hot or have been recently fired to prevent burns.
- Dispose of used pellets in accordance with local regulations to minimize environmental impact.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the Tipton Felt Cleaning Pellets and a calibercorrect jag.

### 2. Loading the Jag:

- Select the appropriate calibercorrect jag provided in the packaging.
- Attach the jag securely to the cleaning rod.

### 3. Using the Cleaning Pellets:

- Take a felt cleaning pellet from the package.
- Insert the pellet onto the jag.
- Insert the jag into the bore of the firearm gently, ensuring it does not damage the rifling.

### 4. Cleaning Process:

- Push the cleaning rod through the barrel from the chamber to the muzzle.
- Repeat the process as necessary, using additional pellets for a thorough clean.
- After cleaning, remove the jag and any remaining pellets from the barrel.

### 5. PostCleaning:

- Inspect the bore for any remaining debris.
- Clean and store all equipment properly after use.

## **Disposal Instructions**

- Dispose of used cleaning pellets in accordance with local waste management regulations.
- Do not dispose of cleaning pellets in regular household waste unless permitted.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the use of Tipton Felt Cleaning Pellets, please refer to the packaging for contact information of the manufacturer or authorized distributor. You can also check the EU's Safety Gate platform for updates on product safety and recalls.

By following these safety instructions, you ensure a safe and effective cleaning experience with your Tipton Felt Cleaning Pellets. Thank you for prioritizing safety and proper handling of your cleaning supplies.
