

7-Rest

[Shooting Accessories](#) > [Shooting Rests](#) > [Rifle Rests](#)

The 7-Rest™ is a truly innovative shooting accessory that utilizes a unique design to deliver exceptional versatility and true value. The asymmetric frame provides great stability while maximizing length adjustability. By simply loosening the lock knob, the angle between the two halves of the frame can be adjusted to change the distance between the front and rear supports. Having the frame offset to the side of the gun also gives adequate clearance for extended magazines, level actions and rolling blocks. The rest is designed for ambidextrous use by folding to accommodate both right or left-handed shooters. Fully adjustable over molded front and rear supports hold your gun securely while protecting the stock and forend. All these features rolled into one rest result in a rock-solid, all-in-one shooting base with plenty of height and length adjustment to accommodate firearms of virtually any length. The 7-Rest can be quickly folded for easy transport and storage.

Caldwell 7Rest Safety Instruction Guide

Introduction

Thank you for choosing the Caldwell 7Rest. This innovative shooting accessory is designed for versatility and stability. To ensure safe and effective use of the 7Rest, please read and follow the safety instructions outlined in this guide. Your safety and satisfaction are our top priorities.

General Safety Guidelines

- Always use the Caldwell 7Rest in accordance with the manufacturer's instructions.
- Ensure that the shooting area is safe and free from obstructions before using the 7Rest.
- Keep the 7Rest out of reach of children and vulnerable individuals when not in use.
- Regularly inspect the 7Rest for any signs of wear or damage before each use.
- Avoid using the 7Rest with firearms that exceed its weight limit.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before placing it on the 7Rest.
- Always point the firearm in a safe direction when adjusting or using the 7Rest.
- Use the lock knob to secure the frame in place before shooting.
- Adjust the angle of the frame carefully to avoid pinching fingers or hands.
- Make sure the front and rear supports are securely holding the firearm before shooting.
- Do not exceed the height or length adjustments recommended by the manufacturer.

Instructions for Installation and Usage

1. Unfolding the 7Rest:

- Locate the lock knob on the frame.
- Loosen the lock knob to unfold the frame.
- Ensure the frame is fully extended before tightening the lock knob.

2. Adjusting the Frame:

- Loosen the lock knob to adjust the angle of the frame.
- Position the frame to accommodate your firearm's length.
- Tighten the lock knob securely to hold the frame in place.

3. Placing the Firearm:

- Ensure the firearm is unloaded.
- Carefully place the firearm on the front and rear supports.
- Make sure the firearm is stable and secure before proceeding.

4. Shooting:

- Always ensure a clear shooting area.
- Follow all safety protocols for firearm handling.
- After shooting, remove the firearm from the 7Rest and store it safely.

Disposal Instructions

- Dispose of the Caldwell 7Rest in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is disposed of in a manner that prevents any potential hazards.

Contact Information for Further Support

For any inquiries or concerns regarding the Caldwell 7Rest, please reach out to the manufacturer's customer support. Ensure you have the product details ready for a more efficient response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Caldwell 7Rest. Thank you for your attention to safety.
