# ULFHEDNAR Universal Magazine Pocket Safety Instructions

## Introduction

Thank you for choosing the ULFHEDNAR Universal Magazine Pocket for 12 Mags. This product is designed to securely hold your magazines while ensuring safe and convenient usage. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always inspect the magazine pocket before use for any signs of damage or wear.
- Ensure that the pocket is securely fastened to your gear before inserting magazines.
- Do not exceed the recommended capacity of two long rifle magazines.
- Keep the magazine pocket away from children and vulnerable individuals.
- Follow all local laws and regulations regarding the use and carrying of firearms and ammunition.

## Specific Safety Precautions for Use

- Ensure that magazines are completely seated in the pocket to prevent accidental ejection.
- Avoid using the pocket in wet or damp conditions, as this may affect its durability.
- Do not overload the pocket with magazines or other items, as this may compromise its structural integrity.
- Keep the pocket clean and free from debris to maintain its functionality.
- If you notice any signs of wear or damage, discontinue use immediately and replace the product.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the molle loop on the backside of the magazine pocket.
- Thread the pocket onto a compatible molle system (e.g., belts or vests) by weaving the straps through the molle webbing.
- Ensure that the pocket is securely attached and does not move or shift during use.

### 2. Usage:

- Open the magazine pocket and adjust the velcro pads and bungee loop to fit the size of your magazines.
- Insert up to two long rifle magazines into the pocket, ensuring they are securely held.
- Close the pocket to prevent the magazines from falling out during movement.

## Disposal Instructions

- Dispose of the magazine pocket responsibly in accordance with local regulations.
- If the product is no longer usable, consider recycling the materials where possible.
- Do not dispose of the product in household waste if it contains any hazardous materials.
