# ULFHEDNAR PRS Riflesling Safety Instructions

## Introduction

Thank you for choosing the ULFHEDNAR PRS Riflesling. This adjustable cambuckle, nonelastic web sling is designed for practical longrange shooting. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure the riflesling is used only for its intended purpose—supporting a rifle during shooting activities.
- Always inspect the riflesling before each use for any signs of wear, damage, or malfunction.
- Keep the riflesling out of reach of children and vulnerable individuals who may not understand its purpose or how to use it safely.
- Store the riflesling in a cool, dry place away from direct sunlight and extreme temperatures to maintain its durability.
- Report any unsafe conditions or accidents involving the riflesling to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the sling is securely attached to both the rifle and the user before use.
- Adjust the length of the sling appropriately to fit your body and shooting style. An improperly adjusted sling can lead to loss of control.
- Do not use the riflesling if it shows any signs of fraying, tearing, or other damage.
- Avoid using the riflesling in wet or slippery conditions that may compromise your grip or control.
- Always follow local laws and regulations regarding the use of firearms and shooting equipment.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the attachment points on your rifle where the sling will connect.
- Attach the cambuckle to the designated points securely, ensuring a tight fit.
- Doublecheck that the sling is properly attached before proceeding.

### 2. Adjusting the Sling:

- To adjust the length of the sling, locate the adjustment mechanism on the cambuckle.
- Pull on the webbing to increase or decrease the length as needed.
- Ensure that the adjustment is secure before use.

### 3. Using the Sling:

- Place the sling over your shoulder, ensuring it rests comfortably against your body.
- Position your rifle in the sling, ensuring it is stable and secure.
- Maintain a proper grip on the rifle at all times while using the sling for support.

## Disposal Instructions

- Dispose of the riflesling responsibly, in accordance with local waste management regulations.
- If the sling is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the riflesling in regular household waste if it can be recycled or repurposed.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product recalls, please contact the manufacturer or consult the EU Safety Gate platform for the latest updates on product safety.

By following these guidelines, you can ensure a safe and effective experience with your ULFHEDNAR PRS Riflesling. Thank you for your attention to safety and responsible usage.
