ULFHEDNAR Tripod Mini with Ballhead Safety Instructions

Introduction

Thank you for choosing the ULFHEDNAR Tripod Mini with Ballhead. This guide provides important safety instructions to ensure the safe and proper use of your tripod. Please read this manual carefully before using the product to maximize your safety and enjoyment.

General Safety Guidelines

- Ensure that the tripod is used on stable and level surfaces to prevent tipping.
- Do not exceed the maximum load capacity specified for the tripod to avoid damage or accidents.
- Keep the tripod away from children and pets to prevent injury.
- Regularly inspect the tripod for any signs of wear or damage before each use.
- Use the tripod only for its intended purpose, which is to support cameras or spotting scopes.
- Always secure your camera or spotting scope properly on the tripod to prevent falling.
- Avoid using the tripod in extreme weather conditions, such as high winds or heavy rain.

Specific Safety Precautions for Use

- Always check that the ballhead is locked securely before attaching your equipment.
- When adjusting the ballhead, ensure that your fingers are kept clear of moving parts to prevent pinching.
- Do not attempt to adjust the tripod height while it is holding equipment; make adjustments only when the equipment is removed.
- Be cautious when transporting the tripod to avoid tripping or falling.
- Do not use the tripod as a step stool or for climbing.

Instructions for Installation and Usage

1. Setting Up the Tripod:

- Place the tripod on a flat and stable surface.
- Extend the legs to the desired height, ensuring they are locked in place.
- Adjust the angle of the legs if needed for stability.

2. Attaching Equipment:

- Use the quickrelease plate to attach your camera or spotting scope to the ballhead.
- Tighten the locking mechanism to secure the equipment firmly in place.

3. Adjusting the Ballhead:

- Loosen the ballhead knob to adjust the angle of your camera or spotting scope.
- Once adjusted, tighten the knob to lock the position securely.

4. Dismantling:

- Remove your equipment from the tripod before dismantling.
- Collapse the tripod legs and ensure all locks are secured for safe storage.

Disposal Instructions

- Dispose of the tripod in accordance with local regulations for electronic waste.
- Do not dispose of the tripod in regular household waste.
- Consider recycling the product if possible.

Contact Information for Further Support

For any safety inquiries or support regarding the ULFHEDNAR Tripod Mini with Ballhead, please reach out to the designated EU contact point provided with your product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your ULFHEDNAR Tripod Mini with Ballhead. Always prioritize safety and proper usage to protect yourself and your equipment. Thank you for your attention to these important guidelines.
