ULFHEDNAR Raincover 130cm Safety Instruction Guide

Introduction

Thank you for choosing the ULFHEDNAR Raincover 130cm. This weathercover is designed to protect your longrange weapons from rain and snow, ensuring their reliability and longevity. Please read this safety instruction guide carefully to ensure safe usage and maintenance of your product.

General Safety Guidelines

- Ensure that the raincover is compatible with your longrange rifle and scope before use.
- Regularly inspect the raincover for any signs of wear or damage.
- Keep the raincover out of reach of children to prevent accidents.
- Use the raincover only for its intended purpose as described in this guide.
- In case of any issues or safety concerns, report them to the appropriate authorities.

Specific Safety Precautions for Use

- Avoid exposing the raincover to extreme temperatures or direct sunlight for prolonged periods.
- Do not use the raincover if it is damaged or shows signs of wear.
- Ensure that the raincover is securely fitted to the rifle to prevent it from slipping off during use.
- Do not leave the raincover on the rifle while firing, as this may obstruct vision or affect performance.
- If the raincover becomes wet, allow it to dry completely before storing it.

Instructions for Installation and Usage

1. Preparation

- Ensure that your rifle is clean and dry before fitting the raincover.
- Gather all necessary items, including the raincover and your rifle.

2. Installation

- Carefully slide the raincover over the rifle, ensuring that it fits snugly over the rifle scope.
- Adjust the raincover as necessary to ensure full coverage of the rifle.
- Secure any straps or fasteners included with the raincover to prevent it from moving.

3. Usage

- When using the raincover, check periodically to ensure it remains securely in place.
- If rain or snow is expected, ensure that the raincover is fitted prior to exposure to the elements.
- After use, remove the raincover and inspect for any damage.

Disposal Instructions

- Dispose of the raincover in accordance with local regulations.
- If the raincover is no longer usable, consider recycling materials where possible.
- Do not dispose of the raincover in household waste if it can be recycled.
