Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The Mod Red 11413 series can also be used as trolley case.

RED 11413 EXPLORER CASES Safety Instruction Guide

Introduction

Thank you for choosing the RED 11413 EXPLORER CASES. This guide provides essential safety information to ensure the safe use and handling of your product. Please read this guide carefully to understand how to use your case properly and safely.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use, adhering to the EU General Product Safety Regulation (GPSR). Ensure you follow all safety guidelines to avoid risks.
- **Enhanced Recalls:** In the event of a safety issue, standardized recall notices will be provided. You are entitled to free remedies for any dangerous products.
- **Online Shopping:** When purchasing online, ensure that the seller meets safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra precautions are in place to protect vulnerable groups, including children. Keep this product out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Handling:** Always handle the case with care. Do not drop or throw the case, as this may damage it or compromise its protective features.
- **Weight Limit:** Ensure that the total weight of the contents does not exceed the maximum weight capacity of 8.80 kg (7.80 kg without inlay).
- **Water Resistance:** While the case is designed to be waterresistant, do not submerge it in water. Ensure the Oring gasket is intact to maintain water resistance.
- **Locking Mechanism:** Always ensure that the locking latches are securely closed when transporting the case to prevent accidental opening.
- **Air Pressure Release:** Use the manual air pressure release valve when changing altitude to prevent pressure buildup inside the case.
- **Internal Cutouts:** Use the internal cutouts for optional internal brackets or mounting rings to secure your equipment properly.
- **Labeling:** Use the waterproof removable label to identify the contents of your case, ensuring that it is clear and legible.

Instructions for Installation and Usage

- **Transporting the Case:**
 - Use the large front handle for traditional carrying.
 - If preferred, attach optional shoulder straps for handsfree transport.
 - The case can also be used as a trolley case if applicable.
- **Storing Equipment:**
 - Carefully place your equipment inside the case, utilizing the precube foam for optimal protection.
 - Ensure that all items are securely stored and do not move around during transport.

- **Maintenance:**

- Regularly inspect the case for any signs of wear or damage, particularly the hinges and locking mechanisms.
- Clean the exterior of the case with a damp cloth. Avoid using harsh chemicals that may damage the material.

Disposal Instructions

- **Disposal of the Product:**

- When disposing of the case, follow local regulations regarding the disposal of plastic products.
- If possible, recycle the polypropylene material to minimize environmental impact.

- **Packaging Disposal:**

- Dispose of any packaging materials in accordance with local waste management guidelines.

Contact Information for Further Support

For any questions or concerns regarding the RED 11413 EXPLORER CASES, please consult the manufacturer or authorized dealer for assistance.

Thank you for your attention to these safety guidelines. Enjoy the reliable protection and versatility that your RED 11413 EXPLORER CASES provide.
