## Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

## Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The Mod Red 13513 series can also be used as trolley case.

# Safety Instruction Guide for RED 13513 EXPLORER CASES

## Introduction

Thank you for choosing the RED 13513 EXPLORER CASES. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this guide carefully before using the case to protect your equipment and ensure compliance with safety regulations.

## General Safety Guidelines

- Ensure that the product is used solely for its intended purpose as a weapon case.
- Always inspect the case for any visible damage before use. Do not use if damaged.
- Keep the case out of reach of children and vulnerable individuals to prevent accidents.
- Follow all local laws and regulations regarding the transport and storage of weapons.
- In case of any safety concerns or incidents, report them to the relevant authorities.

## Specific Safety Precautions for Use

- **Corrosion Proof Hinges:** Ensure that the metal hinges are functioning properly before use. Do not force the lid if it is stuck.
- **Locking Latches:** Always secure the case with the locking latches when not in use to prevent unauthorized access.
- **Water Resistance:** While the case is designed to be waterresistant, avoid submerging it in water. Check the Oring gasket regularly for wear and replace if necessary.
- **Air Pressure Release Valve:** Always use the manual air pressure release valve when closing the case to avoid pressure buildup.
- **Transporting the Case:** Use the large front handle or optional shoulder straps for safe transport. Ensure that the straps are securely attached before carrying.

## Instructions for Installation and Usage

### 1. Initial Setup:

- Remove the case from its packaging and inspect for any damage.
- Ensure that the internal cutouts are suitable for your equipment. Adjust as necessary.

### 2. Storing Equipment:

- Place your equipment inside the case, ensuring that it is securely positioned within the internal cutouts.
- Use the waterproof removable label to mark your equipment for easy identification.

### 3. Closing the Case:

- Close the lid firmly and ensure that the locking latches are engaged.
- If applicable, use the manual air pressure release valve before fully closing the lid.

### 4. Transporting the Case:

- Use the front handle for traditional carrying or attach the shoulder straps for handsfree transport.
- Ensure that the case is securely closed and locked during transport.

## **Disposal Instructions**

- Dispose of the case in accordance with local regulations for plastic waste.
- If the case is damaged beyond repair, consider recycling the polypropylene material where possible.
- Do not dispose of the case in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the RED 13513 EXPLORER CASES, please reach out to the designated support channels provided by the manufacturer. Always keep this guide for future reference.

Thank you for prioritizing safety while using the RED 13513 EXPLORER CASES. Enjoy the peace of mind that comes with secure storage and transport of your equipment.
