## Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

## Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The 3005 series is optimized for the transportation by airplane.

# Safety Instruction Guide for the 3005 Orange Explorer Cases

## Introduction

Thank you for choosing the 3005 Orange Explorer Cases. This guide provides essential safety instructions and guidelines to ensure the safe use, handling, and disposal of your product. Please read this document carefully to understand how to use your case safely and effectively.

## General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use and protect your equipment. Always follow the instructions provided in this guide.
- **Enhanced Recalls:** In the unlikely event of a safety issue, recall notices will be provided. You will have access to free remedies for any dangerous products.
- **Online Shopping Safety:** If you purchased this product online, you are entitled to the same safety protections as if you bought it in a physical store.
- **Consumer Focus:** Extra care is taken to ensure that this product is safe for all users, particularly vulnerable groups such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided in the warranty or product documentation.
- **Rapid Alerts:** Stay informed about any updates on product safety through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Handling:** Always handle the case with care to prevent injury. Avoid dropping or throwing the case.
- **Weight Limit:** Do not exceed the maximum weight capacity of the case. Ensure that the total weight of the contents does not exceed 1.20 kg when fully loaded.
- **Water Resistance:** While the case is designed to be waterresistant, avoid submerging it in water. Ensure that the Oring gasket is intact to maintain water resistance.
- **Locking Mechanism:** Always ensure that the locking latches are securely fastened when transporting the case. This will prevent accidental opening.
- **Air Pressure Release:** Use the manual air pressure release valve when necessary to avoid pressure buildup inside the case.
- **Storage:** Store the case in a cool, dry place away from direct sunlight to prevent damage to the materials.

## Instructions for Installation and Usage

### 1. Opening the Case:

- Use the front handle to open the case.
- Ensure the lid stay feature is functioning correctly to hold the lid in place while accessing your equipment.

### 2. Storing Equipment:

- Place your equipment in the internal cutouts provided for optimal organization.
- Use optional internal brackets or mounting rings if necessary to secure your items.

### 3. Labeling:

- Utilize the waterproof removable label included with the case to identify your equipment clearly.
- Ensure that the label is securely affixed to avoid loss.

#### 4. **Transporting the Case:**

- You can carry the case using the large front handle or attach optional shoulder straps.
- Ensure that the case is securely closed before transport.

#### 5. **Air Travel:**

- The 3005 series is optimized for air travel. Ensure compliance with airline regulations regarding carryon and checked luggage.

## **Disposal Instructions**

- **Disposal of the Case:** When the case reaches the end of its life, dispose of it in accordance with local regulations for plastic waste.
- **Recycling:** The case is made of polypropylene, which is recyclable. Please check local recycling guidelines to ensure proper disposal.
- **Environmental Safety:** Do not burn the case as it may release harmful substances into the environment.

## **Contact Information for Further Support**

For any questions or further support regarding the safety and use of your 3005 Orange Explorer Cases, please refer to the contact information provided in your warranty or product documentation.

Thank you for prioritizing safety and for choosing the 3005 Orange Explorer Cases. Enjoy your product!
