

Magazine Coupler for Magpul AR-15 M3 PMAGs

[Magazines](#) > [Rifle Magazines](#) > [Magazine Couplers & Holders](#)

Double up instead of limiting yourself!

Many shooters prefer to use a 30-round magazine, but are not allowed to use it due to various requirements or regulations.

The new magazine couplers from RJK Ventures now offer a practical alternative to the limited 30-round magazines.

So any two Magpul PMAGs can be connected with this coupler; Two 10-round magazines are very similar in handling to the usual 30-round magazines and make reloading much easier.

The magazine couplers meet the high quality standard of Magpul PMAGs and are made of the same solid nylon. Assembly is quick and easy and connects the magazines reliably and without play.

Fits:

MAGPUL® PMAG® AR/M4 GEN M3™
.223 / 5.56x45mm

US Patent No. 10126076

RJK VENTURES Magazine Coupler for Magpul AR15 M3 PMAGs Safety Instruction Guide

Introduction

Thank you for choosing the RJK VENTURES Magazine Coupler designed for Magpul AR15 M3 PMAGs. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this guide carefully before using the magazine coupler.

General Safety Guidelines

- Ensure that all safety precautions are followed when using the magazine coupler.
- The product is intended for adult users only. Keep out of reach of children.
- Regularly inspect the coupler for any signs of damage or wear before each use.
- Always adhere to local laws and regulations regarding magazine capacities and firearm usage.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended magazine capacities when using the coupler.
- Ensure that the coupler is securely attached to the magazines before use to prevent accidental detachment.
- Avoid using the coupler with damaged or defective magazines.
- Do not modify the coupler or the magazines in any way.
- Always handle firearms and magazines with care, treating them as if they are loaded.

Instructions for Installation and Usage

Installation

1. **Prepare the Magazines:** Ensure that both Magpul PMAGs are clean and free from debris.
2. **Align the Coupler:** Position the coupler between the two magazines, ensuring the connection points are aligned properly.
3. **Secure the Coupler:** Firmly press the magazines together until you hear a click, indicating that the coupler is securely attached.
4. **Check Stability:** Gently tug on the magazines to ensure they are securely connected without any play.

Usage

- To reload, simply remove the magazine from the firearm as you normally would.
- When reloading with the coupler, the handling will be similar to that of a standard 30round magazine.
- Always ensure that the coupler remains securely attached during use.

Disposal Instructions

- Dispose of the coupler in accordance with local waste disposal regulations.
- Do not dispose of the coupler in regular household waste if it is damaged or defective; check with local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support regarding the RJK VENTURES Magazine Coupler, please refer to the contact information provided by the retailer or manufacturer.

Thank you for prioritizing safety and compliance. Enjoy using your RJK VENTURES Magazine Coupler!
