# MDT LSSXL Gen 2 Carbine Stock Chassis System Safety Instructions

## Introduction

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System for your Tikka T3, T3x rifle. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Ensure you are familiar with the operation of your firearm before using the MDT LSSXL Gen 2 Chassis System.
- Always treat every firearm as if it is loaded.
- Store your firearm and chassis system in a secure location, out of reach of children and unauthorized users.
- Always use the chassis system in accordance with the manufacturer's instructions.
- Regularly inspect the chassis system for any signs of damage or wear. Do not use if damaged.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.

## Specific Safety Precautions for Use

When using the MDT LSSXL Gen 2 Chassis System, take note of the following specific safety precautions:

- The chassis system is designed for use with AR carbinestyle buttstocks and buffer tubes. Ensure compatibility before installation.
- Always use AICStype detachable magazines as specified.
- Use only the recommended castle nut and pistol grip for installation to ensure proper function and safety.
- Avoid using the chassis system in wet or damp conditions to prevent corrosion of the aluminum material.
- Do not exceed the manufacturer's specifications for weight and load capacity.

## Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the MDT LSSXL Gen 2 Chassis System:

### 1. Preparation:

- Ensure that your Tikka T3, T3x rifle is unloaded and in a safe position.
- Gather all necessary tools and components, including the chassis system, compatible buttstock, buffer tube, castle nut, and pistol grip.

### 2. Installation:

- Remove the existing stock from your rifle according to the manufacturer's instructions.
- Attach the MDT LSSXL Gen 2 Chassis System to the rifle's action using the provided mounting hardware.
- Secure the chassis system by tightening all screws and bolts to the manufacturer's specifications.
- Install the compatible buttstock and buffer tube, ensuring they are securely fastened.
- Attach the castle nut and pistol grip as per the instructions provided with those components.

### 3. Usage:

- Before firing, ensure that the rifle is properly assembled and that all components are secure.
- Practice safe handling techniques, including keeping the muzzle pointed in a safe direction and keeping your finger off the trigger until ready to shoot.
- Regularly check the stability of the chassis system during use and make adjustments as necessary.

## **Disposal Instructions**

When it comes time to dispose of the MDT LSSXL Gen 2 Chassis System, please follow these guidelines:

- Do not dispose of the chassis system in regular household waste.
- Check with local waste management authorities for specific disposal regulations regarding aluminum and firearm components.
- If the chassis system is damaged beyond repair, consider recycling the aluminum material.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT LSSXL Gen 2 Carbine Stock Chassis System, please refer to the manufacturer's website or customer support resources. It is crucial to ensure that you have access to assistance if needed.

By following these safety instructions and guidelines, you can help ensure a safe and enjoyable experience with your MDT LSSXL Gen 2 Carbine Stock Chassis System. Thank you for your attention to safety and for choosing our product.
