Safety Instruction Guide for MDT LSSXL Gen 2 Carbine Stock Chassis System

Introduction

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System for your Howa 1500 Long Action rifle. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this guide carefully before using the chassis system.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the chassis system.
- Use the chassis system only with compatible firearms as specified in the product description.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Keep the chassis system out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the chassis system is installed correctly to prevent any accidental discharge of the firearm.
- Use only AICStype 3.715" long detachable magazines as specified in the product description.
- When using the chassis system, wear appropriate eye and ear protection.
- Avoid using the chassis system in wet or damp conditions to prevent corrosion of materials.
- Do not exceed the manufacturer's specifications for weight or accessory attachments on the chassis system.
- Be aware of your surroundings and ensure that you have a safe backstop when firing.

Instructions for Installation and Usage

1. Installation Instructions:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your Howa 1500 Long Action rifle.
- Attach the MDT LSSXL Gen 2 chassis to the rifle using the provided mounting hardware.
- Install the castle nut and pistol grip as required for your chosen AR carbinestyle buttstock.
- Ensure that all screws and components are tightened securely before use.

2. Usage Instructions:

- Load the AICStype detachable magazine according to the manufacturer's instructions.
- Insert the magazine into the chassis system until it clicks into place.
- Adjust the buttstock to your desired length of pull for optimal comfort and control.
- Conduct a function check to ensure that the firearm operates correctly with the new chassis system.

Disposal Instructions

- Dispose of the MDT LSSXL Gen 2 chassis system in accordance with local regulations regarding the disposal of aluminum and other materials.
- If the chassis system is damaged beyond repair, contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

- For any questions or concerns regarding the MDT LSSXL Gen 2 Carbine Stock Chassis System, please refer to the manufacturer's website or contact your local dealer for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on your careful handling and usage of this product.
