MDT LSSXL Gen 2 Carbine Stock Chassis System Safety Instructions

Introduction

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System for your Ruger American rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm modifications and usage.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Never use damaged or malfunctioning components.
- Store the product in a secure location when not in use.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always handle firearms safely and responsibly.
- Ensure the firearm is unloaded before installation or adjustment of the chassis system.
- Use only compatible AR carbinestyle buttstocks and buffer tubes.
- Install the castle nut and pistol grip securely to prevent accidents.
- Use AICStype detachable magazines as specified.
- Avoid using the chassis system in wet or humid conditions to prevent corrosion.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- Do not exceed the manufacturer's specifications for weight and accessories on the chassis.

Instructions for Installation and Usage

1. Preparation

- Ensure that your Ruger American rifle is unloaded and pointed in a safe direction.
- Gather all necessary tools and components, including the chassis system, buttstock, buffer tube, castle nut, and pistol grip.

2. Installation Steps

- Remove the existing stock from your Ruger American rifle by unscrewing it.
- Align the MDT LSSXL Gen 2 Chassis System with the action of your rifle.
- Secure the chassis to the rifle using the provided screws.
- Install the buffer tube onto the rear of the chassis.
- Attach the buttstock to the buffer tube and secure it with the castle nut.
- Install the pistol grip onto the chassis, ensuring it is firmly attached.
- Check that all components are securely fastened and that there are no loose parts.

3. Usage

- Once installed, familiarize yourself with the new configuration of your rifle.
- Test the functionality of the detachable magazine and ensure it locks in place correctly.

- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- When disposing of the chassis system or any firearm components, follow local laws regarding firearm disposal.
- Ensure that all parts are rendered inoperable before disposal to prevent unauthorized use.

Contact Information for Further Support

For any inquiries or support regarding your MDT LSSXL Gen 2 Carbine Stock Chassis System, please refer to the manufacturer's website or customer service. Ensure to keep your purchase information handy for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT LSSXL Gen 2 Carbine Stock Chassis System. Thank you for prioritizing safety and compliance with EU regulations.
