# MDT LSSXL Gen 2 Carbine Stock Chassis System Safety Instructions

## Introduction

Congratulations on your purchase of the MDT LSSXL Gen 2 Carbine Stock Chassis System for your Ruger American rifle. This guide provides essential safety instructions to ensure the safe use and installation of your new chassis system. Please read this document carefully and follow all safety guidelines to maximize your safety and the performance of your product.

## General Safety Guidelines

- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Ensure that the firearm is unloaded before installing or modifying any components.
- Use only compatible parts and accessories with your MDT LSSXL Gen 2 chassis system.
- Store your chassis system and firearm in a safe place, away from unauthorized access, especially by children.
- Regularly inspect your chassis system for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and modifications.
- If you are unsure about any aspect of your chassis system, seek professional assistance.

## Specific Safety Precautions for Use

- Ensure the chassis system is securely attached to the firearm before use.
- Use only AR15 magazines with the chassis system to ensure proper fit and function.
- Be aware of the increased length of the forend compared to standard LSS systems, and ensure it does not interfere with your shooting stance or technique.
- Always wear appropriate eye and ear protection when shooting.
- Use the chassis system in a safe and controlled environment, such as a designated shooting range.
- If you experience any malfunctions while using the chassis system, cease use immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have all necessary tools, including a castle nut wrench and a compatible pistol grip.
- Read the installation instructions thoroughly before beginning.

### 2. Installation Steps

- Ensure the firearm is unloaded and the chamber is clear.
- Remove the existing stock from your Ruger American rifle.
- Attach the MDT LSSXL Gen 2 chassis to the rifle's action using the provided mounting hardware.
- Securely fasten the castle nut and attach the AR carbinestyle buttstock.
- Install the compatible pistol grip as per the manufacturer's instructions.
- Check that all components are tightly secured and that there are no loose parts.

### 3. Usage

- Familiarize yourself with the features of the chassis system before use.
- Load the firearm using AR15 magazines and ensure they are properly seated.
- Adjust the buttstock for a comfortable fit before shooting.

- Practice safe shooting habits and follow all range rules.

## **Disposal Instructions**

- Dispose of the chassis system and any associated components in accordance with local regulations.
- Avoid disposing of any parts in regular household waste. Instead, contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT LSSXL Gen 2 Carbine Stock Chassis System, please consult the manufacturer or a qualified professional. Always ensure that you have access to a reliable source for support and information regarding your product.
