MDT LSSXL Gen 2 Carbine Stock Chassis System Safety Instruction Guide

Introduction

Thank you for purchasing the MDT LSSXL Gen 2 Carbine Stock Chassis System for Ruger American rifles. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that you follow all safety rules and regulations when handling firearms and firearm accessories.
- Always treat every firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and accessories securely to prevent unauthorized access, especially from children.
- Familiarize yourself with the operation of your firearm and the MDT chassis system before use.
- Use only compatible components as specified in the product description to avoid malfunctions.
- Regularly inspect your chassis system for wear and damage. Do not use if any parts appear compromised.

Specific Safety Precautions for Use

- Only use AR15 magazines with the MDT LSSXL Gen 2 chassis system.
- Ensure that the buttstock and buffer tube are securely attached before use.
- Use caution when installing or removing the chassis from the firearm to avoid injury.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the chassis system or any of its components, as this may compromise safety and performance.
- If you experience any issues or malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Steps

1. **Gather Tools and Components:** Ensure you have all necessary tools and components, including the MDT LSSXL Gen 2 chassis, AR carbinestyle buttstock, buffer tube, castle nut, and pistol grip.
2. **Remove the Existing Stock:**
 - Clear the firearm and ensure it is unloaded.
 - Use appropriate tools to remove the existing stock from the Ruger American rifle.
3. **Install the MDT Chassis:**
 - Align the MDT chassis with the rifle's receiver.
 - Securely attach the chassis using the provided screws and tools.
4. **Attach the Buffer Tube and Buttstock:**
 - Install the buffer tube into the chassis.
 - Attach the AR carbinestyle buttstock to the buffer tube and secure it with the castle nut.
5. **Install the Pistol Grip:**

- Attach the pistol grip to the chassis, ensuring it is tightened securely.

6. Final Inspection:

- Check all connections and ensure everything is properly secured.
- Conduct a function check to ensure the firearm operates correctly with the new chassis system.

Usage Instructions

- Load the AR15 magazine with the appropriate ammunition.
- Insert the magazine into the chassis system until it clicks into place.
- Ensure the firearm is in a safe condition before chambering a round.
- Follow standard shooting protocols and ensure you are in a safe shooting position.

Disposal Instructions

- Dispose of the MDT LSSXL Gen 2 chassis system in accordance with local regulations.
- Do not dispose of any firearm components in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the MDT LSSXL Gen 2 Carbine Stock Chassis System, please refer to the contact details provided on the product packaging or visit the manufacturer's website for further assistance.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your MDT LSSXL Gen 2 Carbine Stock Chassis System. Always prioritize safety and responsible firearm handling. Thank you for choosing MDT!
