MDT LSSXL Gen 2 Carbine Stock Chassis System Safety Instruction Guide

Introduction

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System for your Ruger American rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your chassis system. Please read this manual thoroughly before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your Ruger American rifle before using the MDT chassis system.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the chassis system and all firearms out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before use.
- If you notice any defects or issues, do not use the chassis system and contact a qualified gunsmith for assistance.
- Be aware of your surroundings when using firearms and always prioritize safety.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using firearms.
- Avoid using the chassis system in wet or damp conditions, as moisture can affect performance and safety.
- Do not exceed the manufacturer's specifications regarding the use of buttstocks and buffer tubes.
- Ensure that the chassis system is securely attached to the rifle before use.
- Use only AICStype detachable magazines that are compatible with the chassis system.
- Avoid modifying the chassis system or using nonapproved accessories that may compromise safety.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that your work area is clean and free from distractions. Gather all necessary tools and components.
2. **Remove the Old Stock:** Carefully detach the existing stock from the Ruger American rifle according to the manufacturer's instructions.
3. **Attach the Chassis System:**
 - Align the MDT LSSXL Gen 2 chassis with the action of the Ruger American rifle.
 - Securely fasten the chassis using the provided screws and hardware.
 - Ensure that the chassis is properly aligned and tightened to avoid any movement during use.
4. **Install the Buttstock and Buffer Tube:**
 - Attach the AR carbinestyle buttstock and buffer tube as per the manufacturer's instructions.
 - Ensure that the castle nut is properly tightened to prevent any loosening during operation.
5. **Install the Pistol Grip:**
 - Attach the pistol grip to the chassis system, ensuring it is securely fastened.
6. **Final Check:** Inspect all connections and ensure that everything is secure before proceeding to use the rifle.

Usage

- Ensure the rifle is unloaded before handling or adjusting the chassis system.
- Always keep the muzzle pointed in a safe direction.

- Familiarize yourself with the operation of the chassis system and practice safe handling techniques.
- When using the rifle, maintain control and ensure that your grip is secure.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations.
- Do not dispose of the chassis system in regular household waste.
- If the chassis system is damaged or no longer usable, consider recycling materials where possible.

Contact Information for Further Support

For safety inquiries or support, please refer to the manufacturer's website or contact their customer service.

Thank you for prioritizing safety in your use of the MDT LSSXL Gen 2 Carbine Stock Chassis System. Your cooperation ensures a safer shooting experience for everyone.
