

# Premier Scope Rings, 1" / 25,4 mm tube diameter - MDT Accessories - Scope Rings - Premier - 25.44mm - X-High (1.50in) - BLK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

The MDT Premier Scope Rings offer a solid mounting system for your optics. Made from precision machined aluminium, these rings are available for the majority of scope sizes and required heights. CMM checked to 1.5 millionths of an inch precision. MDT Premier Scope Rings are designed and manufactured to STANAG 4694 specification, also known as "NATO spec". This means the scope ring sits tight to the top of the scope base rail, with pressure being applied to the underside of the angled rail surfaces to maintain a solid interface. This design also allows mounting on out-of-spec rails.

# Safety Instruction Guide for MDT Premier Scope Rings

## Introduction

Thank you for choosing the MDT Premier Scope Rings. These rings are designed to provide a secure and reliable mounting solution for your optics. This safety instruction guide outlines important safety information, usage instructions, and disposal guidelines in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always inspect the scope rings for any visible damage or defects before use.
- Ensure that the scope rings are compatible with your specific scope and rifle model.
- Use the product only for its intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Regularly check the EU's Safety Gate platform for any recall updates related to this product.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure that the mounting surface is clean and free from debris before installation.
- Do not exceed the manufacturer's recommended torque specifications when tightening the screws.
- Avoid overtightening, as this may damage the scope or the rings.

### • Usage Precautions:

- Always ensure that the scope is securely mounted before firing your rifle.
- Regularly check the tightness of the scope rings, especially after heavy use or transportation.
- Do not modify the scope rings in any way, as this may compromise safety and performance.

### • Environmental Precautions:

- Store the scope rings in a dry environment to prevent corrosion.
- Avoid exposing the rings to extreme temperatures or harsh chemicals.

## Instructions for Installation and Usage

### 1. Installation:

- Gather the necessary tools: a torque wrench and appropriate screwdrivers.
- Place the scope ring onto the desired mounting rail on your rifle.
- Align the scope ring with the mounting holes on the rail.
- Insert the screws into the mounting holes and handtighten them.
- Using a torque wrench, tighten the screws to the manufacturer's specified torque (consult the product documentation for specific values).
- Repeat the process for the second scope ring.

### 2. Usage:

- Once installed, place your scope into the rings and adjust it to your preferred eye relief.

- Secure the scope by tightening the ring screws evenly to avoid misalignment.
- Conduct a function check to ensure that the scope is properly secured and aligned.

### **3. Maintenance:**

- Regularly clean the scope rings with a soft, dry cloth to remove dust and debris.
- Inspect the rings periodically for signs of wear or damage.

## **Disposal Instructions**

- Do not dispose of the product in household waste.
- Follow local regulations for the disposal of metal and aluminum products.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the MDT Premier Scope Rings, please refer to the manufacturer's website or customer service resources. Ensure you have the product details ready for a more efficient response.

By following these guidelines, you can ensure the safe and effective use of your MDT Premier Scope Rings. Thank you for your attention to safety, and enjoy your shooting experience!
