# Safety Instruction Guide for ADAPTER FOR USCLEANING RODS (832 UNCTHREAD)

## Introduction

Thank you for choosing the ADAPTER FOR USCLEANING RODS (832 UNCTHREAD) from VFG. This product is designed for safe and effective use with cleaning rods compatible with calibers from 7mm onwards. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the adapter before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about any product recalls via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always use the adapter with compatible cleaning rods and ensure proper threading.
- Do not exceed the recommended caliber range (7mm and above).
- Avoid using excessive force when attaching or detaching the adapter.
- Ensure that the cleaning rod is securely fastened before use to prevent accidents.
- Use safety goggles if necessary to protect your eyes from debris.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the cleaning rod is clean and free from any obstructions.
- Align the adapter with the cleaning rod's threading.
- Gently screw the adapter onto the cleaning rod in a clockwise direction until it is securely fastened.
- Check that the adapter is tightly attached before proceeding to use.

### 2. Usage:

- Insert the cleaning rod with the attached adapter into the firearm's barrel.
- Use the cleaning rod in a straight motion to avoid damaging the barrel.
- Do not twist or bend the rod excessively during use.
- After cleaning, remove the adapter by unscrewing it in a counterclockwise direction.
- Store the adapter in a safe place when not in use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for any materials that can be recycled.

## Contact Information for Further Support

For any inquiries or concerns regarding the product, please refer to the manufacturer's contact information

found on the packaging or product documentation.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your ADAPTER FOR USCLEANING RODS (832 UNCTHREAD). Thank you for your attention to safety!
