

QUICK CLEANING-PLUG - FOR CAL. 4,5/.177 - Quick cleaning-Plug, 500 pcs. - for Cal. 4.5/.177

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

VFG quick cleaning plugs are compact and available in all common caliber sizes. They have a diameter that fits snugly into the barrel of your weapon. If the shot is now triggered, the overpressure in the barrel and the rapid acceleration compresses the length of the felt. The felt plug presses into the cables and follows the twist. Every part of the barrel is reliably cleaned. In order to prevent fiber particles from remaining in the barrel, we generally recommend inserting a pointed diabolo behind the felt element in the barrel and shooting both through together.

QUICK CLEANINGPLUG Safety Instruction Guide

Introduction

Thank you for choosing the QUICK CLEANINGPLUG for Caliber 4.5/.177. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the cleaning plugs.

General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not covered by other EU laws.
- Always check for product recalls and updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.
- Special care should be taken to protect vulnerable groups, such as children.

Specific Safety Precautions for Use

- Always use the cleaning plugs in accordance with the manufacturer's instructions.
- Keep the cleaning plugs out of reach of children.
- Do not use the cleaning plugs if you notice any visible damage or wear.
- Ensure that your weapon is unloaded before inserting the cleaning plug.
- Do not attempt to modify or alter the cleaning plugs in any way.
- Avoid using the cleaning plugs with any other types of ammunition or projectiles.
- If you experience any issues during use, cease operation immediately and seek advice.

Instructions for Installation and Usage

1. Prepare Your Weapon:

- Ensure that your weapon is completely unloaded and safe to handle.
- Remove any existing ammunition from the chamber.

2. Insert the Cleaning Plug:

- Select a quick cleaning plug that fits snugly into the barrel of your weapon.
- Carefully insert the cleaning plug into the barrel.

3. Shooting the Plug:

- To effectively clean the barrel, insert a pointed diabolo behind the felt element in the barrel.
- Fire both the cleaning plug and the diabolo together to ensure thorough cleaning.

4. PostUse Care:

- After using the cleaning plugs, check the barrel for any remaining fiber particles.
- Clean your weapon as per the manufacturer's guidelines.

Disposal Instructions

- Dispose of used cleaning plugs in accordance with local waste disposal regulations.
- Do not dispose of cleaning plugs in household waste if they are deemed hazardous.
- Consider recycling options where available.

Contact Information for Further Support

For any inquiries or further support regarding the QUICK CLEANINGPLUG, please refer to the product packaging or the manufacturer's website for contact information.

By following these guidelines, you can ensure the safe and effective use of your QUICK CLEANINGPLUG. Thank you for your attention to safety and compliance with EU regulations.
