

Quick cleaning-Plug, 80 pcs. - for Cal. .25

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

VFG quick cleaning plugs are compact and available in all common caliber sizes. They have a diameter that fits snugly into the barrel of your weapon. If the shot is now triggered, the overpressure in the barrel and the rapid acceleration compresses the length of the felt. The felt plug presses into the cables and follows the twist. Every part of the barrel is reliably cleaned. In order to prevent fiber particles from remaining in the barrel, we generally recommend inserting a pointed diabolo behind the felt element in the barrel and shooting both through together.

Safety Instruction Guide for QUICK CLEANINGPLUG, 80 PCS. FOR CAL. .25

Introduction

Thank you for choosing the QUICK CLEANINGPLUG, 80 PCS. FOR CAL. .25. This product is designed to help you maintain the cleanliness and performance of your firearm. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that the QUICK CLEANINGPLUG is used only with compatible firearms of caliber .25.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the cleaning plugs for wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the cleaning plugs only as intended; do not modify or misuse them.
- Ensure that your firearm is unloaded before inserting the cleaning plug.
- Insert a pointed diabolo behind the felt element in the barrel to prevent fiber particles from remaining.
- Do not attempt to clean the firearm while it is loaded or in a potentially unsafe condition.
- Follow the manufacturer's instructions for cleaning and maintenance to avoid damage to your firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the QUICK CLEANINGPLUG.

2. Inserting the Cleaning Plug:

- Take one cleaning plug from the package.
- Insert the felt plug into the barrel of the firearm, ensuring it fits snugly.
- If using a pointed diabolo, place it behind the felt plug in the barrel.

3. Cleaning Process:

- Fire the weapon to propel the cleaning plug and diabolo through the barrel.
- This will compress the felt and clean the interior of the barrel effectively.

4. PostCleaning:

- After cleaning, inspect the barrel for any remaining debris.
- Dispose of used cleaning plugs according to local regulations.

Disposal Instructions

- Dispose of used cleaning plugs in accordance with local waste disposal guidelines.
- Do not dispose of cleaning plugs in regular household waste if they contain hazardous materials.

- Check with your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the QUICK CLEANINGPLUG, please refer to the product packaging or your point of purchase. Ensure to keep this guide for future reference.

Thank you for prioritizing safety and maintenance with your firearm.
