

# Square Deal B Progressive Reloading Machine for Pistol Calibers - Dillon Square Deal B (SDB) Reloading Machine 45 Schofield

[Reloading](#) > [Reloading Presses](#) > [Progressive Presses](#)

The Square Deal B is our most compact machine, it loads common straight walled handgun and carbine cartridges from 32 S&W Long through 45 Colt. Featuring an automatically indexed shellplate, it is intended to produce moderate quantities of match-quality handgun ammunition for the user who does not have a need to load bottle-necked cartridges. Dies are included and are factory adjusted to reduce your set up time.

# Dillon Square Deal B Progressive Reloading Machine Safety Instructions

## Introduction

Thank you for choosing the Dillon Square Deal B Progressive Reloading Machine for Pistol Calibers. This guide provides essential safety instructions to ensure safe and effective use of the reloading machine. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions for safe operation.
- Ensure that the reloading machine is used in a wellventilated area.
- Keep the machine out of reach of children and unauthorized users.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Never leave the machine unattended while in operation.
- Regularly inspect the machine for any signs of wear or damage.
- Store all components, including ammunition and reloading materials, in a safe and secure location.

## Specific Safety Precautions for Use

- **Electrical Safety:** Ensure that the machine is plugged into a properly grounded outlet. Do not use extension cords.
- **Handling Components:** Handle all reloading components with care. Avoid using damaged or defective parts.
- **Ammunition Safety:** Only use approved cartridges and components specified for the Dillon Square Deal B. Do not overload or modify ammunition.
- **Emergency Procedures:** Familiarize yourself with emergency shutdown procedures in case of malfunction or accident.
- **Cleaning and Maintenance:** Always unplug the machine before performing any cleaning or maintenance. Use appropriate cleaning materials as recommended by the manufacturer.

## Instructions for Installation and Usage

### 1. Unpacking the Machine:

- Carefully remove the Dillon Square Deal B from its packaging.
- Check for all included components: machine, dies, shellplate, and any additional accessories.
- Inspect for any visible damage during shipping.

### 2. Setting Up the Machine:

- Place the machine on a stable and level surface, away from edges.
- Ensure there is adequate space around the machine for operation and maintenance.
- Follow the manufacturer's setup instructions to install the shellplate and dies.

### 3. Loading Components:

- Load the appropriate reloading components into the machine as per the manufacturer's guidelines.
- Ensure that all components are seated correctly before operation.

### 4. Operating the Machine:

- Turn on the machine and ensure it is functioning correctly.
- Follow the stepbystep operation instructions provided in the user manual.
- Monitor the reloading process and stop immediately if any issues arise.

#### **5. PostOperation:**

- Once reloading is complete, turn off the machine and unplug it.
- Clean the machine as per the maintenance instructions.
- Store the machine and all components in a secure location.

## **Disposal Instructions**

- Dispose of any unused or expired reloading components in accordance with local regulations.
- Follow local guidelines for the disposal of electronic equipment and hazardous materials.
- Do not dispose of ammunition or reloading materials in regular trash.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Dillon Square Deal B, please reach out to your local authorized dealer or the manufacturer's support service.

## **Conclusion**

Following these safety instructions will help ensure a safe and effective reloading experience with the Dillon Square Deal B Progressive Reloading Machine. Always prioritize safety and consult the user manual for detailed operational guidance. Thank you for choosing Dillon!
