

Square Deal B Progressive Reloading Machine for Pistol Calibers - Dillon Square Deal B (SDB) Reloading Machine 40 S&W

[Reloading](#) > [Reloading Presses](#) > [Progressive Presses](#)

The Square Deal B is our most compact machine, it loads common straight walled handgun and carbine cartridges from 32 S&W Long through 45 Colt. Featuring an automatically indexed shellplate, it is intended to produce moderate quantities of match-quality handgun ammunition for the user who does not have a need to load bottle-necked cartridges. Dies are included and are factory adjusted to reduce your set up time.

Dillon Square Deal B Progressive Reloading Machine Safety Instructions

Introduction

Thank you for choosing the Dillon Square Deal B Progressive Reloading Machine for Pistol Calibers. This guide provides essential safety instructions to ensure safe and effective use of the reloading machine. Please read this document carefully before using the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe operation.
- Ensure the reloading machine is used in a wellventilated area.
- Keep the reloading machine out of reach of children and unauthorized persons.
- Regularly inspect the machine for any signs of wear or damage.
- Use the machine only for its intended purpose as specified in the product description.
- Wear appropriate safety gear, such as safety glasses and gloves, when operating the machine.
- Be aware of your surroundings and ensure that the work area is free from distractions and hazards.

Specific Safety Precautions for Use

- **Electrical Safety:** Ensure that the machine is connected to a properly grounded outlet to prevent electrical shock.
- **Handling Components:** Handle all components, including dies and shell plates, with care to avoid injury.
- **Material Safety:** Only use materials recommended by the manufacturer to prevent malfunction or accidents.
- **Avoid Overloading:** Do not exceed the recommended production limits to maintain safety and efficiency.
- **Emergency Procedures:** Familiarize yourself with emergency procedures in case of malfunction or accident.
- **Storage:** Store the machine in a dry and safe location when not in use.

Instructions for Installation and Usage

1. **Unpacking the Machine:** Carefully remove the reloading machine from its packaging. Check for any missing or damaged parts.
2. **Setting Up the Machine:**
 - Place the machine on a stable, level surface.
 - Ensure that the area around the machine is clear of any obstructions.
3. **Installing the Dies:**
 - Follow the instructions provided for installing the dies.
 - Ensure that dies are securely fastened and properly adjusted.
4. **Loading Components:**
 - Load the appropriate cartridges as per the machine's specifications.
 - Avoid overloading the shell plate to ensure smooth operation.
5. **Operating the Machine:**
 - Turn on the machine and allow it to reach operational speed.
 - Follow the stepbystep process for reloading as outlined in the product manual.
 - Monitor the operation closely and be prepared to stop the machine if any issues arise.
6. **After Use:**
 - Turn off the machine and unplug it from the electrical outlet.
 - Clean the machine according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the machine in regular household waste. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Dillon Square Deal B Progressive Reloading Machine, please refer to the manufacturer's customer support resources. Always ensure that you have the product information available for quicker assistance.

By following these safety instructions, you can ensure a safe and efficient reloading experience with your Dillon Square Deal B Progressive Reloading Machine. Thank you for your attention to these important safety guidelines.
