

Square Deal B Progressive Reloading Machine for Pistol Calibers - Dillon Square Deal B (SDB) Reloading Machine 45 Colt

[Reloading](#) > [Reloading Presses](#) > [Progressive Presses](#)

The Square Deal B is our most compact machine, it loads common straight walled handgun and carbine cartridges from 32 S&W Long through 45 Colt. Featuring an automatically indexed shellplate, it is intended to produce moderate quantities of match-quality handgun ammunition for the user who does not have a need to load bottle-necked cartridges. Dies are included and are factory adjusted to reduce your set up time.

Dillon Square Deal B Progressive Reloading Machine Safety Instructions

Introduction

Thank you for choosing the Dillon Square Deal B Progressive Reloading Machine for Pistol Calibers. This guide provides essential safety instructions to ensure the safe and effective use of your reloading machine. Please read this document carefully before using the product.

General Safety Guidelines

- Always read and understand the operating instructions before use.
- Ensure that the reloading machine is used in a wellventilated area free of flammable materials.
- Keep the reloading machine out of reach of children and unauthorized persons.
- Regularly inspect the machine for any signs of wear or damage before use.
- Use only compatible components and materials as specified by the manufacturer.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from moving parts during operation.
- Potential exposure to gunpowder and primers, which can be hazardous.
- Risk of misloading or double charging, which can lead to ammunition failure.

- **Avoiding Hazards:**

- Always ensure that the machine is turned off when making adjustments or clearing jams.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the machine.
- Do not exceed the recommended loading capacity to avoid malfunctions.
- Keep your workspace clean and organized to minimize the risk of accidents.

- **AgeSpecific Warnings:**

- This machine is intended for use by adults only. Ensure that minors are supervised at all times if they are present in the reloading area.

Instructions for Installation and Usage

- **Installation:**

- Select a stable and level surface for placing the reloading machine.
- Ensure that the machine is securely fixed to the work surface to prevent movement during operation.
- Follow the manufacturer's instructions for setting up the machine and installing the dies.

- **Usage:**

- Before starting, doublecheck that all components are correctly installed and adjusted.
- Load ammunition components carefully, following the specific instructions for the Dillon Square Deal B.

- Monitor the reloading process closely to ensure proper operation.
- After reloading, store completed ammunition in a safe and secure location.

Disposal Instructions

- Dispose of any unused or expired components, such as gunpowder and primers, in accordance with local regulations.
- Do not dispose of ammunition in regular household waste. Follow local laws for the disposal of ammunition and hazardous materials.

Contact Information for Further Support

For questions or concerns regarding the Dillon Square Deal B Progressive Reloading Machine, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety while using the Dillon Square Deal B Progressive Reloading Machine. Enjoy your reloading experience!
