

# Square Deal B Progressive Reloading Machine for Pistol Calibers - Dillon Square Deal B (SDB) Reloading Machine 44 Mag

[Reloading](#) > [Reloading Presses](#) > [Progressive Presses](#)

The Square Deal B is our most compact machine, it loads common straight walled handgun and carbine cartridges from 32 S&W Long through 45 Colt. Featuring an automatically indexed shellplate, it is intended to produce moderate quantities of match-quality handgun ammunition for the user who does not have a need to load bottle-necked cartridges. Dies are included and are factory adjusted to reduce your set up time.

# Safety Instruction Guide for Dillon Square Deal B Progressive Reloading Machine

## Introduction

Thank you for choosing the Dillon Square Deal B Progressive Reloading Machine for Pistol Calibers. This guide provides essential safety instructions to ensure safe and effective use of the reloading machine. Please read this guide carefully before use to familiarize yourself with safety precautions, installation instructions, and proper usage techniques.

## General Safety Guidelines

- Ensure that the reloading machine is used only for its intended purpose, which is to reload straightwalled handgun and carbine cartridges.
- Always keep the work area clean and organized to prevent accidents.
- Store the machine and all components in a secure location, out of reach of children and pets.
- Use protective gear, such as safety glasses and gloves, when operating the machine to protect against potential hazards.
- Familiarize yourself with the machine and its components before use. Review this guide and other provided documentation.
- Always follow the manufacturer's instructions for setup, operation, and maintenance.
- Report any unsafe conditions or accidents to the authorities immediately.

## Specific Safety Precautions for Use

- Do not attempt to reload ammunition if you are under the influence of drugs or alcohol.
- Ensure that the machine is stable and securely placed on a flat surface before use.
- Check for any loose or damaged parts before operating the machine. Replace or repair any damaged components immediately.
- Avoid wearing loose clothing or jewelry that could become entangled in the machine.
- Only use the recommended dies and components for the Dillon Square Deal B.
- Be aware of the potential hazards associated with handling gunpowder and primers. Follow all safety guidelines for these materials.
- Never leave the machine unattended while in operation.

## Instructions for Installation and Usage

### 1. Setup

- Unpack the Dillon Square Deal B and all included components from the packaging.
- Place the machine on a sturdy, level workbench or table.
- Ensure that you have adequate lighting in your work area.

### 2. Assembly

- Follow the manufacturer's instructions to assemble the machine components, including the shellplate and dies.
- Ensure that all components are securely fastened and correctly positioned.

### 3. Loading Components

- Carefully load the appropriate cartridges into the shellplate.
- Follow the manufacturer's recommendations for the quantity of components to load.

#### **4. Operation**

- Begin the reloading process by following the stepbystep instructions provided in the manufacturer's manual.
- Monitor the reloading process closely to ensure that everything is functioning correctly.
- If you notice any irregularities or malfunctions, stop using the machine immediately and address the issue.

#### **5. Maintenance**

- Regularly clean the machine according to the manufacturer's instructions to prevent buildup of debris and ensure smooth operation.
- Inspect the machine periodically for signs of wear or damage.

### **Disposal Instructions**

- Dispose of any unused or expired reloading components, including gunpowder and primers, in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash. Check with local authorities for proper disposal methods.
- Recycle any nonhazardous materials when possible.

### **Contact Information for Further Support**

For safety inquiries or additional support regarding the Dillon Square Deal B Progressive Reloading Machine, please refer to the manufacturer's documentation or website.

This safety instruction guide is designed to ensure that you can use your Dillon Square Deal B Progressive Reloading Machine safely and effectively. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
