

# Square Deal B Progressive Reloading Machine for Pistol Calibers - Dillon Square Deal B (SDB) Reloading Machine 38 Spec

[Reloading](#) > [Reloading Presses](#) > [Progressive Presses](#)

The Square Deal B is our most compact machine, it loads common straight walled handgun and carbine cartridges from 32 S&W Long through 45 Colt. Featuring an automatically indexed shellplate, it is intended to produce moderate quantities of match-quality handgun ammunition for the user who does not have a need to load bottle-necked cartridges. Dies are included and are factory adjusted to reduce your set up time.

# Dillon Square Deal B Progressive Reloading Machine Safety Instructions

## Introduction

Thank you for choosing the Dillon Square Deal B Progressive Reloading Machine for Pistol Calibers. This guide provides important safety instructions to ensure safe and effective use of your reloading machine. Please read this document carefully before using the product.

## General Safety Guidelines

- Always read and understand the manufacturer's instructions before using the reloading machine.
- Use the machine only for its intended purpose, which is to reload handgun and carbine cartridges.
- Keep the reloading machine out of reach of children and unauthorized users.
- Ensure that your work area is clean, welllit, and free from distractions while using the machine.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and hearing protection.
- Be aware of your surroundings and ensure that no one is in close proximity while you are operating the machine.
- Regularly inspect the machine for any signs of wear, damage, or malfunction before use.
- Store all reloading components, including powder and primers, in a safe and secure location.

## Specific Safety Precautions for Use

- Do not use the reloading machine if you are tired, under the influence of drugs or alcohol, or otherwise impaired.
- Follow all local, national, and international laws regarding the reloading of ammunition.
- Use only the recommended dies and components specified for the Dillon Square Deal B.
- Never exceed the recommended load data for the cartridges you are reloading.
- Avoid distractions; do not engage in conversations or use mobile devices while operating the machine.
- Do not attempt to modify or alter the reloading machine in any way.
- If you notice any unusual sounds, smells, or behaviors from the machine, stop using it immediately and conduct an inspection.

## Instructions for Installation and Usage

### 1. Installation

- Unpack the Dillon Square Deal B from its packaging and ensure all components are present.
- Place the reloading machine on a stable, flat surface that can support its weight.
- Secure the machine to the work surface if necessary, to prevent movement during operation.
- Follow the manufacturer's instructions to install the dies and set up the machine for your specific cartridge.

### 2. Usage

- Before starting, ensure that you have all necessary components on hand, including brass, primers, powder, and bullets.
- Set the machine to the correct settings for the caliber you are reloading.
- Begin the reloading process by following the stepbystep instructions provided in the user manual.
- Monitor the reloading process continuously, checking for any issues or irregularities.
- Once reloading is complete, safely store all ammunition in a secure location.

## **Disposal Instructions**

- Dispose of any unused or expired reloading components in accordance with local regulations.
- Do not dispose of hazardous materials, such as spent primers or powder, in regular household waste.
- Contact your local waste management facility for proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

- For any safety inquiries or support regarding the Dillon Square Deal B Progressive Reloading Machine, please refer to the manufacturer's contact information provided in the product packaging.

By following these safety instructions, you can enjoy the benefits of reloading while minimizing risks. Thank you for prioritizing safety in your reloading activities.
