# Dillon Square Deal B Accessories Machine Maintenance Kit Safety Instruction Guide

## Introduction

Thank you for choosing the Dillon Square Deal B Accessories Machine Maintenance Kit. This guide provides essential safety instructions to ensure the safe use and maintenance of your Dillon reloader. Regular cleaning and maintenance are crucial for optimal performance, and this kit includes everything you need to keep your reloader in top condition.

## General Safety Guidelines

- Always read and understand the product instructions before use.
- Keep the maintenance kit out of reach of children and vulnerable individuals.
- Ensure that the workspace is clean and free of clutter to prevent accidents.
- Use personal protective equipment (PPE) such as gloves and safety goggles when handling lubricants and cleaning agents.
- Regularly inspect your reloader and maintenance tools for wear and damage to avoid injury.
- Report any unsafe products or accidents to local authorities.

## Specific Safety Precautions for Use

- Use only the products included in the Dillon Machine Maintenance Kit for cleaning and maintenance.
- Do not use excessive force when cleaning or maintaining the reloader to avoid damage.
- Ensure that the reloader is completely powered off and disconnected from any power source before performing maintenance.
- Avoid using flammable materials near the reloader and maintenance kit.
- Store all components of the maintenance kit in a cool, dry place to prevent degradation.

## Instructions for Installation and Usage

### 1. Prepare Your Workspace

- Choose a wellventilated area with adequate lighting.
- Gather all components from the Dillon Machine Maintenance Kit: Square Deal B Spare Parts Kit, Compressed Air, Pipe Cleaners, Lubricating Grease Syringe, and Nylon Brush.

### 2. Cleaning Your Reloader

- Disconnect the reloader from the power source.
- Use the compressed air to blow out any dust and debris from the reloader.
- Utilize the nylon brush and pipe cleaners to clean hardto reach areas.
- Apply lubricating grease sparingly using the syringe to moving parts as per the manufacturer's specifications.

### 3. Regular Maintenance

- Schedule routine maintenance checks to ensure all parts are functioning correctly.
- Replace any worn or damaged parts using the Square Deal B Spare Parts Kit.
- Keep a log of maintenance activities to track usage and identify any recurring issues.

## **Disposal Instructions**

- Dispose of any used cleaning materials and lubricants in accordance with local regulations.
- Do not dispose of the maintenance kit components in regular household waste.
- Check with local authorities for designated disposal sites for hazardous materials.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Dillon Square Deal B Accessories Machine Maintenance Kit, please refer to the manufacturer's contact information provided on the product packaging or visit the official Dillon Precision website for support resources.

Thank you for following these safety instructions. By adhering to these guidelines, you can ensure the safe and effective use of your Dillon reloader and maintenance kit.
