Dillon Square Deal B Powder Measure Safety Instructions

Introduction

Thank you for choosing the Dillon Square Deal B Powder Measure. This product is designed to provide accurate, reliable, and repeatable performance for all your reloading needs. To ensure your safety and the effective use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle the Dillon Powder Measure with care to avoid injury.
- Ensure that the device is used in a wellventilated area to avoid inhalation of any dust or particles.
- Keep the Powder Measure out of reach of children and vulnerable individuals.
- Regularly inspect the Powder Measure for any signs of wear or damage.
- Follow all local regulations regarding the use and storage of reloading equipment.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended grain limits for your specific reloading requirements.
- **Use Protective Gear:** Always wear safety glasses and a dust mask when operating the Powder Measure to protect against particles.
- **Stay Focused:** Avoid distractions while using the Powder Measure to prevent accidents.
- **Proper Storage:** Store the Powder Measure in a dry, cool place when not in use, and ensure it is secured to prevent unauthorized access.
- **Check for Recalls:** Regularly check the EU Safety Gate platform for any updates or recalls related to the Dillon Powder Measure.

Instructions for Installation and Usage

1. Installation:

- Place the Powder Measure on a stable, flat surface.
- Ensure that the device is securely mounted if required.
- Connect any necessary components according to the manufacturer's guidelines.

2. Usage:

- Before use, ensure that the Powder Measure is clean and free from any obstructions.
- Set the desired grain weight according to your reloading specifications.
- Carefully pour the powder into the measure, avoiding spills and overfilling.
- Operate the Powder Measure according to the instructions provided in the user manual.
- After use, clean the Powder Measure to maintain its performance and longevity.

Disposal Instructions

- Dispose of the Powder Measure in accordance with local regulations for electronic waste and hazardous materials.
- Do not throw the Powder Measure in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support regarding the Dillon Square Deal B Powder Measure, please refer to the manufacturer's contact details provided in the product packaging or user manual.

By following these safety instructions, you can ensure a safe and effective reloading experience with the Dillon Square Deal B Powder Measure. Thank you for prioritizing safety in your reloading activities.
