Dillon SL900 Accessories Safety Instruction Guide

Introduction

Thank you for choosing the Dillon SL900 Accessories. This guide provides essential safety instructions to ensure the safe use of your reloading accessories. Please read this document carefully before using the product to familiarize yourself with safety precautions and proper handling techniques.

General Safety Guidelines

- Ensure that all accessories are used in accordance with the instructions provided in this guide.
- Keep the accessories out of reach of children and pets to prevent accidental harm.
- Inspect all accessories before use for any signs of damage or wear.
- Store all accessories in a dry and safe location to prevent deterioration.
- Always wear appropriate safety gear, including safety glasses, when using reloading equipment.

Specific Safety Precautions for Use

- **Safety Glasses:** Always wear clear safety glasses to protect your eyes from debris while reloading.
- **Dial Caliper:** Handle the dial caliper with care. Ensure it is calibrated correctly before use to avoid measurement errors.
- **Eliminator Scale:** Use the scale on a flat, stable surface to ensure accurate readings. Do not overload the scale beyond its capacity.
- **Machine Cover:** Use the machine cover to protect your equipment from dust and debris when not in use.
- **Low Powder Sensor:** Regularly check the low powder sensor to ensure it is functioning properly and alerting you when powder levels are low.
- **Manual:** Refer to the Lyman Reloading Handbook for detailed instructions and safety information on reloading practices.

Instructions for Installation and Usage

- **Installation:**

1. Unbox the Dillon SL900 Accessories and lay out all components.
2. Ensure that the workspace is clean and organized.
3. Follow the specific installation instructions provided in the Lyman Reloading Handbook for each accessory.
4. Secure all accessories properly to prevent movement during use.

- **Usage:**

1. Before starting, ensure that you have all necessary materials and tools at hand.
2. Follow the reloading steps outlined in the Lyman Reloading Handbook.
3. Use the dial caliper to measure components accurately.
4. Weigh powder charges using the Eliminator Scale, ensuring not to exceed the scale's limits.
5. Continuously monitor the low powder sensor during operation.
6. After use, clean all accessories according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any damaged or unusable accessories in accordance with local regulations.
- Do not throw away accessories in regular trash if they contain hazardous materials.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Dillon SL900 Accessories, please refer to the product manual or contact your retailer for assistance.

Conclusion

By following the safety guidelines and instructions outlined in this guide, you will ensure a safer and more efficient reloading experience with your Dillon SL900 Accessories. Always prioritize safety and stay informed about best practices in reloading. Thank you for choosing our product, and happy reloading!
