Dillon SL900 Accessories Safety Instruction Guide

Introduction

Thank you for choosing the Dillon SL900 Accessories Spare Parts Kit. This guide provides essential safety instructions to ensure the safe use and maintenance of your reloading press accessories. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that you follow all safety instructions and guidelines to minimize the risk of accidents and injuries.
- Always keep the work area clean and welllit to avoid accidents.
- Use protective gear, such as safety glasses and gloves, when handling reloading equipment.
- Store all accessories and spare parts in a safe location, out of reach of children and pets.
- Regularly inspect your equipment for any signs of damage or wear. Replace any damaged parts immediately.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use Dillon SL900 Spare Parts Kit with the Dillon SL900 reloading press.
- Ensure that all parts are compatible and properly installed before use.
- Do not attempt to modify or alter any parts or accessories.
- Always follow the manufacturer's instructions for the proper operation of the reloading press.
- Avoid wearing loose clothing or jewelry that may get caught in the machinery.
- Keep hands and other body parts away from moving parts during operation.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Carefully unpack the Spare Parts Kit and check for any missing items against the included parts list.
- Follow the specific installation instructions provided in the Dillon SL900 manual to install each part properly.
- Ensure that all screws, bolts, and fittings are tightened securely.

2. Usage:

- Before using the reloading press, review the operational manual for safety and operational guidelines.
- Load materials into the press according to the manufacturer's specifications.
- Operate the reloading press at the recommended speed to ensure safe and efficient performance.
- If you encounter any issues during operation, stop immediately and refer to the troubleshooting section of the manual.

Disposal Instructions

- Dispose of any damaged or worn parts in accordance with local regulations for hazardous waste.
- Recycle packaging materials where possible.
- Do not dispose of any parts in regular household waste if they are deemed hazardous.

Contact Information for Further Support

For any inquiries regarding safety concerns or product support, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can help ensure a safe and effective experience with your Dillon SL900 Accessories Spare Parts Kit. Thank you for your attention to safety, and enjoy your reloading experience!
