# Dillon RL550 Machine Toolhead Safety Instruction Guide

## Introduction

Thank you for choosing the Dillon RL550 Machine Toolhead. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your reloading press accessory. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that you follow all safety instructions provided in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the toolhead and accessories for any signs of wear or damage before use.
- Use the product only for its intended purpose as described in this guide.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Do Not Adjust Dies:** Do not adjust dies when switching calibers. The toolhead's precision holders maintain perfect alignment, facilitating quick and easy caliber changes.
- **Use Appropriate Components:** Ensure that you use the correct powder die (#20064) and other accessories that are compatible with the Dillon RL550 Machine.
- **Wear Protective Gear:** Always wear safety glasses and appropriate protective gear when operating the reloading press.
- **Work in a Safe Environment:** Ensure that your work area is welllit, organized, and free from distractions.
- **Avoid Overloading:** Do not overload the toolhead beyond its specified limits. Refer to the manufacturer's guidelines for maximum capacities.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the Dillon RL550 Machine is turned off and unplugged before installation.
- Carefully follow the manufacturer's instructions to attach the toolhead to the reloading press.
- Ensure that all screws and fittings are securely tightened.

### 2. Usage:

- Before each use, inspect the toolhead for any signs of damage or wear.
- Set the desired caliber by inserting the appropriate die into the precision tool holder.
- Do not attempt to adjust dies while the machine is in operation.
- Follow the specific reloading instructions provided for the Dillon RL550 Machine to ensure safe operation.
- After use, clean the toolhead and surrounding area to maintain optimal performance.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Dillon RL550 Machine Toolhead, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Dillon RL550 Machine Toolhead. Thank you for your attention to safety!
