

ACC Chassis System Kit Howa 1500 - MDT ACC Chassis System Howa 1500 SA RH Blue

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

MDT ACC Chassis System Kit Safety Instructions

Introduction

Thank you for choosing the MDT ACC Chassis System Kit for the Howa 1500. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read and understand all safety guidelines before using the chassis system.

General Safety Guidelines

- Always handle firearms with care, treating every firearm as if it is loaded.
- Ensure that the rifle is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the chassis system and rifle in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that the weight management system is properly adjusted before use to prevent imbalance.
- Avoid exceeding the maximum recommended weight of 5.6 kg for the chassis alone, as this could affect handling.
- When adding weights, ensure they are securely fastened to prevent them from falling off during use.
- Always use compatible AICS style magazines and ensure they are properly seated in the chassis.
- Use the MDT Elite Grip correctly to maintain control of the rifle.
- If using the rifle in a competitive setting, ensure that all accessories are securely attached to avoid accidents.

Instructions for Installation and Usage

1. Installation of Chassis:

- Remove the original stock from the Howa 1500.
- Carefully attach the MDT ACC Chassis to the action of the rifle, ensuring that all screws are tightened according to the manufacturer's specifications.
- Ensure that the chassis is aligned correctly and that there are no gaps between the chassis and the rifle.

2. Adjusting the Weight Management System:

- Identify the locations for adding weights: buttstock, interior forend, or exterior forend.
- Select the desired weights and securely attach them to the chosen location.
- Test the balance of the rifle and adjust as necessary to achieve your preferred handling.

3. Using the MDT Elite Grip:

- Ensure that the grip is securely attached to the chassis.
- Maintain a firm grip while aiming and firing to ensure stability.

4. Magazine Compatibility:

- Ensure that you are using AICS style magazines that are compatible with the chassis system.
- Load the magazine according to the manufacturer's instructions and insert it into the chassis.

5. PostUse Care:

- After use, clean the chassis and rifle to remove any dirt or debris.
- Store the chassis system in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the chassis system and any associated components according to local regulations.
- Do not dispose of the chassis in regular household waste. Check for local recycling or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the MDT ACC Chassis System Kit, please refer to the manufacturer's website or contact their customer support for assistance.

Reporting Unsafe Products

If you encounter any unsafe products or experience accidents, please report them to the relevant authorities. Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Thank you for following these safety instructions. Enjoy your shooting experience with the MDT ACC Chassis System Kit.
