

# ACC Chassis System Kit Howa 1500 - MDT ACC Chassis System Howa 1500 SA RH Gray

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE  
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

# MDT ACC Chassis System Kit Safety Instruction Guide

## Introduction

Thank you for purchasing the MDT ACC Chassis System Kit for the Howa 1500. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always follow local laws and regulations regarding firearm accessories and usage.
- Ensure that you are in a safe environment when handling your rifle and chassis system.
- Keep the chassis and all components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the rifle.

## Specific Safety Precautions for Use

- **Weight Management:** Adjust the weight of the chassis carefully to avoid instability. Ensure that all weights are securely attached.
- **Accessories:** When adding accessories, verify that they are compatible with the ACC chassis and securely fastened to prevent accidents.
- **Shooting Position:** Always use a stable shooting position to maintain control of the rifle.
- **Storage:** Store the chassis in a cool, dry place away from direct sunlight and moisture to prevent damage.
- **Maintenance:** Clean and maintain the chassis regularly according to the manufacturer's recommendations to ensure optimal performance.

## Instructions for Installation and Usage

### 1. Installation of Weights:

- Identify the desired location for weight adjustment (buttstock, interior forend, or exterior forend).
- Follow the manufacturer's instructions to securely attach the weights.
- Ensure all weights are tightened properly to prevent them from loosening during use.

### 2. Mounting Accessories:

- Use the available ARCA/RRS dovetail to mount accessories.
- Tighten the retention screw to ensure that accessories do not fall off during use.

### 3. Adjusting the Buttstock:

- Utilize the MDT proprietary XTN buttstock interface for adjustments.
- Ensure that the adjustable stock is securely locked in place before use.

### 4. Loading the Rifle:

- Use AICS style magazines compatible with the chassis.
- Ensure that the magazine is properly seated before attempting to fire.

### 5. Firing the Rifle:

- Always wear appropriate eye and ear protection when firing.
- Maintain a proper grip on the rifle to ensure control during firing.

## **Disposal Instructions**

- Dispose of the chassis and any components in accordance with local regulations for waste disposal.
- Do not dispose of the chassis with regular household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MDT ACC Chassis System Kit, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your MDT ACC Chassis System Kit. Always stay informed about safety practices and updates regarding your product. Thank you for choosing MDT.
