

# ACC Chassis System Kit Howa 1500 - MDT ACC Chassis System Howa 1500 SA RH ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. Its original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE  
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

# MDT ACC Chassis System Kit Safety Instructions

## Introduction

Thank you for choosing the MDT ACC Chassis System Kit for your Howa 1500 rifle. This chassis system is designed for enhanced performance and comfort while shooting. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the chassis system is compatible with your rifle model.
- Always handle firearms with care and follow safe handling practices.
- Keep firearms pointed in a safe direction at all times.
- Store the chassis system and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Use only compatible accessories and components as specified by the manufacturer.
- Follow all local laws and regulations regarding firearm use and storage.

## Specific Safety Precautions for Use

- Do not exceed the maximum weight limit of 5.6 kg for the chassis system alone.
- Ensure that all weights are securely attached before use to prevent them from falling off during operation.
- Adjust the weight management system only when the rifle is not loaded and in a safe environment.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a clear shooting area before firing.
- If you experience any issues with the chassis system, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the rifle is unloaded and in a safe environment.
2. **Attach the Chassis:**
  - Remove the existing stock from your Howa 1500 rifle.
  - Align the action of the rifle with the MDT ACC Chassis.
  - Securely fasten the action to the chassis using the provided screws.
3. **Weight Adjustment:**
  - Select the desired weights based on your balance preference.
  - Add weights to the buttstock, interior forend, or exterior forend as needed.
  - Ensure all weights are tightly secured before use.

### Usage

1. **Adjusting the Stock:**
  - Use the MDT's proprietary XTN buttstock interface to adjust the stock to your preferred length.
2. **Accessory Attachment:**
  - Utilize the 17" ARCA/RRS dovetail for mounting accessories.
  - Ensure that all accessories are securely attached with the retention screw.
3. **Shooting:**
  - Follow standard shooting practices, ensuring a safe environment and proper handling of the rifle.

## **Disposal Instructions**

- Dispose of the chassis system in accordance with local regulations for electronic and metal waste.
- Do not dispose of the chassis system in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please contact the manufacturer or authorized dealer.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is our top priority. Enjoy your shooting experience with the MDT ACC Chassis System Kit!
