

ACC Chassis System Kit Howa 1500 - MDT ACC Chassis System Howa 1500 SA RH Red

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

Safety Instruction Guide for MDT ACC Chassis System Kit Howa 1500

Introduction

Thank you for choosing the MDT ACC Chassis System Kit for your Howa 1500 rifle. This guide provides essential safety information and instructions to ensure safe use and proper handling of the product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Ensure that the MDT ACC Chassis System is compatible with your specific rifle model before installation.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis system and all components for wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- **Weight Management:** The chassis has an adjustable weight system. Ensure that weights are securely fastened to avoid shifting during use.
- **Grip Handling:** Use the MDT Elite Grip as intended. Do not modify the grip as it may compromise safety.
- **Magazine Compatibility:** Only use AICS style magazines that are compatible with the chassis. Ensure they are properly seated before use.
- **Shooting Position:** Maintain a stable shooting position to prevent accidents. Avoid shooting from unstable platforms.
- **Accessory Attachment:** When attaching accessories to the ARCA/RRS dovetail, ensure they are securely fastened with the retention screw to prevent them from falling off during use.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and the safety is engaged.
- Carefully remove the existing stock from the rifle.
- Align the MDT ACC Chassis System with the rifle action and secure it using the provided screws.
- Adjust the buttstock interface to your desired length of pull, ensuring it is locked in place.
- Add weights to the buttstock, interior forend, or exterior forend as needed to achieve your preferred balance.

2. Usage:

- Before each use, check that all components are secure and in good condition.
- Adjust the weight as necessary for optimal performance and comfort.
- Maintain a proper grip on the rifle while shooting to ensure stability and control.
- After use, clean the chassis and inspect for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is disposed of safely to prevent any potential hazards.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the official MDT contact channels provided with your product packaging or on the MDT website. Always ensure you are reaching out to authorized representatives for assistance.

Thank you for prioritizing safety while using the MDT ACC Chassis System Kit. Enjoy your shooting experience responsibly!
