MDT ACC Chassis BaseCZ Model Safety Instructions

Introduction

Thank you for choosing the MDT ACC Chassis BaseCZ Model. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of your product. Please read this document carefully before using the chassis to prevent any accidents or injuries.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the chassis and all its components out of reach of children and vulnerable individuals.
- Regularly inspect the chassis for any signs of wear or damage.
- Use only compatible components as specified by the manufacturer to avoid hazards.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) when handling or installing the chassis.
- Ensure the work area is clean, dry, and free of distractions during installation.
- Do not exceed the recommended weight limits for the chassis.
- Avoid using the chassis in conditions that may compromise safety, such as extreme temperatures or moisture.
- Ensure that all components are securely attached before use.
- If using folding stocks, ensure they are locked in place before handling.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components before beginning the installation.
- Read through the installation manual provided with the chassis.

2. Installation Steps

- Remove the chassis from its packaging and inspect for any damage.
- Attach the pistol grip to the chassis using the provided screws. Ensure it is tightened securely.
- If using folding stocks, follow the manufacturer's instructions for attachment.
- Ensure all components are compatible with the chassis base.

3. Usage Instructions

- Before using the chassis, conduct a thorough check to ensure all parts are securely attached and functioning correctly.
- Familiarize yourself with the operation of the chassis and its components.
- Always handle the chassis with care, especially when it is loaded.

Disposal Instructions

- Dispose of the chassis and its components in accordance with local regulations.
- Do not dispose of the chassis in household waste.

- If the chassis is no longer in use, consider recycling it or returning it to the manufacturer for proper disposal.
