MDT Buttstock Safety Instruction Guide

Introduction

Thank you for choosing the MDT Buttstock Skeleton Rifle Stock XTN Interface SRSX Elite Short. This guide provides important safety information, installation instructions, and guidelines for proper use to ensure a safe and enjoyable experience. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the MDT Buttstock is compatible with your rifle before installation.
- Always handle firearms with care and follow all applicable safety rules and regulations.
- Keep the MDT Buttstock out of reach of children and unauthorized users.
- Regularly inspect the buttstock for any signs of wear or damage before each use.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before adjusting or installing the MDT Buttstock.
- Use appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Make all adjustments to the buttstock while the firearm is pointed in a safe direction.
- Do not exceed the manufacturer's recommended weight limit for the buttstock.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing buttstock from the rifle according to the manufacturer's instructions.
- Align the MDT Buttstock with the rifle's buffer tube or interface.
- Securely attach the buttstock, ensuring that it is properly locked in place.
- Adjust the cheek riser and buttpad using the toolless adjustment features to fit your shooting position.

2. Usage:

- Familiarize yourself with the adjustments for horizontal, vertical, and cant positions.
- Make adjustments as needed to enhance comfort and shooting performance.
- Regularly check the tightness of the buttstock and make adjustments as necessary.

Disposal Instructions

- Dispose of the MDT Buttstock in accordance with local regulations.
- Do not dispose of the buttstock in regular household waste.
- Consider recycling options if available.

Contact Information for Further Support

For safety inquiries, product support, or to report unsafe products, please contact the manufacturer directly. Ensure you have the product details ready for assistance.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your MDT Buttstock. Always prioritize safety and be aware of your surroundings when handling firearms. Thank you for your attention to these important safety measures.
