Introduction

Thank you for choosing the MDT Buttstock Skeleton Rifle Stock XTN Interface SRSX Elite Short. This product is designed to enhance your shooting experience with adjustable features for optimal comfort and performance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the MDT Buttstock is used only for its intended purpose as a rifle stock.
- Always follow local laws and regulations regarding firearm usage and accessories.
- Inspect the product for any visible damage or wear before use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe product conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the buttstock.
- Adjust the cheek riser and buttpad only when the firearm is safely pointed in a safe direction.
- Ensure that all adjustments are securely locked in place before using the firearm.
- Do not use the buttstock if it shows signs of damage or if any components are missing.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing buttstock if applicable.
3. Align the MDT Buttstock with the rifle's buffer tube or interface.
4. Securely fasten the buttstock to the rifle, ensuring all locking mechanisms are engaged.
5. Adjust the cheek riser and buttpad to your desired height and angle.
6. Doublecheck that all adjustments are locked before proceeding.

Usage

- Always perform a safety check on your firearm before each use.
- Adjust the buttstock for comfort based on your shooting position.
- Regularly inspect the buttstock for wear and tear, especially after extensive use.
- If using the folding option, ensure it is securely locked in place during use.

Disposal Instructions

- Dispose of the MDT Buttstock in accordance with local regulations for plastic and metal waste.
- Do not burn the product as it may release harmful substances.
- Consider recycling components where applicable.
