# Safety Instruction Guide for FORK Panel Horizontal

## Introduction

Thank you for choosing the FORK Panel Horizontal by BLACKFOLIUM. This innovative product is designed to enhance the functionality of your horizontal pockets by adding a Velcro® section. It allows operators to install pockets using the existing Velcro® on plate carriers and belts, without the need for MOLLE/MALICE systems. This guide provides essential safety instructions to ensure the safe use of the FORK Panel, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the FORK Panel is used only for its intended purpose as described in the product specifications.
- Regularly inspect the FORK Panel for any signs of wear or damage before use.
- Keep the product away from children and vulnerable individuals to prevent accidental injury or misuse.
- Follow all installation and usage instructions carefully to avoid potential hazards.

## Specific Safety Precautions for Use

- Avoid using the FORK Panel in extreme conditions, such as excessive heat, moisture, or heavy impacts, which may compromise its integrity.
- Do not overload the pockets attached to the FORK Panel, as this may lead to failure and potential injury.
- Ensure that the Velcro® is securely fastened at all times during use to prevent accidental detachment.
- If you notice any unusual behavior or damage to the panel, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation of the FORK Panel:

- Identify the location on your plate carrier or belt where you want to attach the FORK Panel.
- Ensure that the surface is clean and free of debris.
- Align the Velcro® section of the FORK Panel with the corresponding Velcro® on your gear.
- Press firmly to secure the attachment, ensuring that it is fastened evenly across the entire surface.

### 2. Using the FORK Panel:

- Once installed, you can attach compatible pockets to the Velcro® section of the FORK Panel.
- Make sure that any items stored in the pockets do not exceed the recommended weight limit.
- Periodically check the attachment to ensure that it remains secure during use.

## Disposal Instructions

- When the FORK Panel has reached the end of its usable life, dispose of it in accordance with local waste disposal regulations.
- Consider recycling the product if possible, following the guidelines for composite materials.

## Contact Information for Further Support

For any inquiries related to safety or product issues, please refer to the manufacturer's contact points provided

with your product packaging or visit the official BLACKFOLIUM website.

## Conclusion

By following these safety instructions, you can help ensure a safe and effective experience with the FORK Panel Horizontal. Always prioritize safety and report any unsafe conditions or incidents to the appropriate authorities. Thank you for your attention to these guidelines.
